The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Hope One Burlington County Expansion in fiscal year 2022.

The entity to receive funding for this project is the County of Burlington, 49 Ranocas Road, Mount Holly, NJ 08060.

The funding would be used to expand the county's successful Hope One initiative, a partnership between the Burlington County Sheriff's Department, Human Services Department, and Health Department that operates a mobile access unit that offers critical support for individuals and their families struggling with addiction and related issues. The main goal is to prevent drug overdoses and deaths by providing links to treatment and recovery support services. Hope One operates one day each week, selecting locations most in need of services. Burlington County is requesting federal funding to expand operation of the Hope One mobile unit for additional days each week to visit more locations across the county.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Andy Kim
Member of Congress
