CLIMATE CRISIS

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Colorado State University/Adams State University Mechanical Engineering Partnership in fiscal year 2022.

The entity to receive funding for this project is Colorado State University, located at A101C Engineering Building, Fort Collins, CO 80523.

The funding would be used for the creation of a joint bachelor's degree in mechanical engineering between Colorado State University and Adams State University. This new program would benefit the institutions' campuses in Fort Collins and Alamosa and help meet a critical workforce need for each of these local economies.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Joe Neguse".
