Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the "MyMichigan Health Medical Center Midland Boiler Plant and Flood Resiliency" project in fiscal year 2023.

The entity to receive funding for this project is MyMichigan Medical Center Midland, located at 4000 Wellness Drive, Midland, MI 48670. The funding would be used for supporting the completion of the new Boiler Plant and Flood Resiliency Project in Midland to construct a new boiler plant and enable construction on particular parts of the building campus which suffered damage during the historic flooding of May 2020.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JOHN R. MOOLENAAR  
Member of Congress
