Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Roben-Hood Airport Runway Extension in fiscal year 2022.

The entity to receive funding for this project is the City of Big Rapids, Michigan located at 226 North Michigan Avenue, Big Rapids, MI 49307. This project would be a valuable use of taxpayer funds because it would invest in infrastructure and would be used to extend Roben-Hood Airport's runway from a length of 4,300-feet to a length of 5,000-feet, with a full parallel taxiway, high intensity runway lighting, a precision approach, and a segmented circle to accommodate both existing and future users.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JOHN MOOLENAAR
Member of Congress
