SENATE CONCURRENT RESOLUTION No. 1661

A CONCURRENT RESOLUTION requesting and applying to the Congress of the United States to propose, or to call a convention for the purpose of proposing, an amendment to the Constitution of the United States which would require that, in the absence of a statutorily defined national emergency, total federal appropriations shall not exceed total estimated federal revenues in a fiscal year.

WHEREAS, Annually the United States moves more deeply in debt as its expenditures exceed its available revenues and the public debt now exceeds hundreds of billions of dollars; and

WHEREAS, Annually the federal budget demonstrates the unwillingness or inability of the federal government to spend in conformity with available revenues; and

WHEREAS, Proper planning, fiscal prudence and plain good sense require that the federal budget be in balance absent national emergency; and

WHEREAS, A continuously unbalanced federal budget except in a national emergency causes continuous and damaging inflation and consequently a severe threat to the political and economic stability of the United States; and

WHEREAS, Under Article V of the Constitution of the United States, amendments to the Constitution may be proposed by the Congress whenever two-thirds of both Houses deem it necessary or, on the application of the legislatures of two-thirds of the states, the Congress shall call a constitutional convention for the purpose of proposing amendments: Now, therefore,

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected to the Senate and two-thirds of the members elected to the House of Representatives concurring therein: That the Congress of the United States is hereby requested to propose and submit to the states an amendment to the Constitution of the United States which would require that within five years after its ratification by the various states, in the absence of a national emergency, the total of all appropriations made by the Congress for a fiscal year shall not exceed the total of all estimated federal revenues for such fiscal year; and

Be it further resolved: That, alternatively, the Legislature of the State of Kansas hereby makes application to the Congress of the United States to call a convention for the sole and exclusive purpose of proposing an amendment to the Constitution of the United States which would require that, in the absence of a national emergency, the total of all appropriations made by the Congress for a fiscal year shall not exceed the total of all estimated federal revenues for such fiscal year. If the Congress shall propose such an amendment to the Constitution, this application shall no longer be of any force or effect; and

Be it further resolved: That the legislature of each of the other states in the Union is hereby urged to request and apply to the Congress to propose, or to call a convention for the sole and exclusive purpose of proposing, such an amendment to the Constitution; and

Be it further resolved: That the Secretary of State be directed to transmit copies of this resolution to the Clerk of the United States House of Representatives, the Secretary of the United States
