Honorable Ranking Member Kay Granger  
Committee on Appropriations  
U.S. House of Representatives  
H-307 The Capitol  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Biosolids to Fertilizer Project in fiscal year 2022.

The entity to receive funding for this project is The Charter Township of Commerce, located at 2009 Township Drive Commerce Twp., MI 48390.

The funding would be utilized to implement a waste treatment system to convert biosolids into fertilizer. This project would eliminate hauling and landfill disposal costs, while providing revenue opportunities from the sale of fertilizer.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Haley Stevens  
Member of Congress
