The Honorable Chairman Peter DeFazio  
The Honorable Ranking Member Sam Graves  
Committee on Transportation and Infrastructure  
2165 Rayburn House Office Building  
Washington, DC 20515-6256

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Beck Road Business Corridor Railroad Grade Crossing Safety Project in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Wixom and the project is located at the 3-track, at grade railroad crossing on Beck Road between West Road and Cartier Drive in Wixom, MI 48393.

The funding is designated for the construction of a 5-lane overpass over the current at-grade, 3-track railroad crossing.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: improved traffic flow, accessibility for employees, customers, and freight traffic, along with the reduction of a vehicle collision frequency 10 times the regional average.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Haley Stevens  
Member of Congress
