Mr. Jon Allman
President and CEO
Endeavors, Inc.
6363 De Zavala Rd.
San Antonio, TX 78249

Dear Mr. Allman:

On March 20, 2021, U.S. Immigration and Customs Enforcement (ICE) announced that they had signed a contract with Endeavors, Inc., worth nearly \$87 million to provide “shelter and processing services” to families that had illegally entered the United States.¹ Reportedly, the U.S. Department of Health and Human Services (HHS) also awarded Endeavors a contract worth \$530 million to house unaccompanied alien children (UACs) in hotels.² News reports later indicated that shortly before ICE and HHS awarded the no-bid contracts to Endeavors, the company hired a former ICE official and advisor to the Biden-Harris transition team to be its senior director for migrant services and federal affairs.³ Because of the unusual nature of this contract, we write to request additional information about this matter.

ICE and HHS’s no-bid contracts raise several concerns. Not only did ICE and HHS award contracts to Endeavors after recently hiring a former ICE official and Biden-Harris transition team adviser, but ICE and HHS had never before contracted with Endeavors and the contract was allegedly awarded without soliciting any other bids.⁴ Contrary to President Biden and Vice President Harris’s effort to ignore the crisis at the border, ICE cited “unusual and compelling urgency” as the reason for the no-bid contract.⁵ ICE and HHS’s decision to avoid the contracting process—and to cite a compelling urgency at the same time the Biden Administration has downplayed the crisis—raises serious questions about the propriety of the contract.
