Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Native American Community Clinic Expansion Project in fiscal year 2023.

The entity to receive funding for this project is the Native American Community Clinic, located at 1213 East Franklin Avenue, Minneapolis, MN 55404.

The requested \$2 million would expand their current clinic and housing unit that will allow the Native American Community Clinic (NACC) to double their impact from serving 5,000 unique patients to nearly 10,000 yearly with augmented clinic and outreach health services and providing housing solutions and support. This project would benefit one of the largest Native American populations in the country, providing housing and important health services for the Native American community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
