Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the People's Center Many Stars Clinic Renovation Project in fiscal year 2023.

The entity to receive funding for this project is the Cedar Riverside People's Center, located at 425 20th Avenue South, Minneapolis, MN 55454.

The funding would help remodel and enhance the clinic space to create an improved environment to deliver culturally informed integrated care. This will allow the People's Center to elevate their care model and lower barriers to access even more community members in need of services. The requested \$1,000,000 for the Many Stars Campaign would help this trusted primary care provider in one of the most diverse communities in the United States to continue to provide quality primary care for the community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Member of Congress
