Dear Chairman Defazio and Ranking Member Graves:

I am requesting funding for the SR 2027 Speers Bridge Replacement over I-70 in surface transportation reauthorization legislation. The project sponsor for this project is PennDOT Engineering District 12-0 and the project is located at SR 2027 Speers Bridge over I-70 in Speers Borough, Washington County, Pennsylvania, 15022. The funding is designated to provide a reliable crossing over I-70 that addresses the bridge's structural deficiencies and provides necessary vertical clearance over I-70. The project is an appropriate use of taxpayer dollars and will facilitate safe access between residences, the Speers Industrial Park, an FBI field office, health care facilities, and the Mon-Valley-Career & Technical Center.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,
