The Honorable Kay Granger
Ranking Member
Committee on Appropriations
H-405, The Capitol
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Allegan through HUD's Economic Development Initiative for their downtown streetscape in fiscal year 2022.

The entity to receive funding for this project is located at 231 Trowbridge Street Allegan, MI 49010.

Through a comprehensive public engagement process, the City of Allegan recently completed the development of a new vision for the downtown. The current public space, including the streets, sidewalks, and underground utilities, are severely lacking. Phase 1 of this project, would help address these concerns through the reconstruction of the main retail corridor (Brady Street and Locust Street) and replacement of all sewer mains, water mains, and lead service lines.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

FRED UPTON
Member of Congress
