The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Cornerstone Alliance's request through HUD's Economic Development Initiative for free community Wi-Fi for Benton Harbor, Michigan in fiscal year 2022.

The entity to receive funding for this project is located at 80 W. Main St., Benton Harbor, MI 49022.

The Free Community Wi-Fi project seeks to introduce free internet services throughout the community of Benton Harbor, Michigan. This project will target the city's most densely populated residential areas. The project will identify locations throughout the community for the installation of necessary Wi-Fi apparatuses and internet services. The results of the project are intended to aid residents by mitigating household expenses, providing reliable internet services, and providing families with modern day capabilities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

  
FRED UPTON  
Member of Congress
