The Honorable Kay Granger
Ranking Member
Committee on Appropriations
H-405, The Capitol
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Kalamazoo through the Environmental Protection Agency - State and Tribal Assistance Grants (STAG) to replace lead water service lines in fiscal year 2022.

The entity to receive funding for this project is located at 241 W. South Street, Kalamazoo, MI 49001.

The City of Kalamazoo will implement a lead water service line replacement project in an area being referred to as "North Kalamazoo," which includes the area north of Kalamazoo Ave to the Kalamazoo Township line between Nichols Road and the Kalamazoo River. This project will benefit approximately 2,000 households and businesses in the City of Kalamazoo and Kalamazoo Charter Township.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

FRED UPTON
Member of Congress
