

116th Congress

1st Session

H. Res. ____

H.R. 729 - Tribal Coastal Resiliency Act

1. Structured rule.
2. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources.
3. Waives all points of order against consideration of the bill.
4. Provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 116-40 shall be considered as adopted and the bill, as amended, shall be considered as read.
5. Waives all points of order against provisions in the bill, as amended.
6. Makes in order only those further amendments printed in the Rules Committee report and amendments en bloc described in section 3 of the resolution. Each amendment printed in the report may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question.
7. Waives all points of order against the amendments printed in the report or amendments en bloc described in section 3 of the resolution.
8. Section 3 provides that the chair of the Committee on Natural Resources or his designee may offer amendments en bloc consisting of amendments printed in the Rules Committee report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee Natural Resources or their designees, shall not be subject to amendment, and shall not be subject to a demand for division of the question.
9. Provides one motion to recommit with or without instructions.

RESOLUTION

Resolved, That any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 729) to amend the Coastal Zone Management Act of 1972 to authorize grants to Indian Tribes to further achievement of Tribal coastal zone objectives, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and amendments specified in this section and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources. After general debate the bill shall be considered for amendment under the five-minute rule. An amendment in the nature of a substitute consisting of the text of Rules Committee Print 116–40 shall be considered as adopted in the House and in the Committee of the Whole. The bill, as amended, shall be considered as the original bill for the purpose of further amendment under the five-minute rule and shall be considered as read. All points of order against provisions in the bill, as amended, are waived.

Sec. 2. (a) No further amendment to the bill, as amended, shall be in order except those printed in the report of the Committee on Rules accompanying this resolution and amendments en bloc described in section 3 of this resolution.

(b) Each further amendment printed in the report of the Committee on Rules shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

(c) All points of order against the further amendments printed in the report of the Committee on Rules or amendments en bloc described in section 3 of this resolution are waived.

Sec. 3. It shall be in order at any time for the chair of the Committee on Natural Resources or his designee to offer amendments en bloc consisting of amendments printed in the report of the Committee on Rules accompanying this resolution not earlier disposed of. Amendments en bloc offered pursuant to this section shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources or their designees, shall not be subject to

amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

Sec. 4. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such further amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

SUMMARY OF AMENDMENTS PROPOSED TO BE MADE IN ORDER

(summaries derived from information provided by sponsors)

Sponsor	# Description	Debate Time
1. Hastings (FL)	#30 Expands the list of eligible activities for the award of Coastal Climate Change Adaptation Project Implementation Grants to include projects to address the immediate and long-term degradation or loss of coral and coral reefs.	(10 minutes)
2. Hastings (FL)	#31 Includes coral reefs as eligible under the National Fish Habitat Conservation Through Partnerships program.	(10 minutes)
3. Morelle (NY)	#33 (LATE) Ensure that up to 5 percent of the funds appropriated under this section will be used by the Secretary to provide technical assistance, which will help accelerate early-stage resources and planning assistance for communities.	(10 minutes)
4. Brown (MD)	#14 Authorizes the NOAA Administrator to award grants to eligible entities for collaborative research projects on the conservation, restoration, or management of oysters in the Chesapeake Bay.	(10 minutes)
5. McEachin (VA)	#22 Includes communities that may not have the resources necessary to prepare for or respond to coastal hazards to the list of priority areas the NOAA Administrator shall consider when determining living shoreline projects to receive federal grants. These communities include low-income communities,	(10 minutes)

	communities of color, Tribal communities, and rural communities.	
6. Huizenga (MI)	#5 Requires no less than 10 percent of the funds awarded under the Living Shoreline grant program be available to projects located within the Great Lakes.	(10 minutes)
7. Lipinski (IL)	#3 Requires that climate change adaptation plans for Great Lakes coastal states shall include adaptive management strategies for Great Lakes ecosystems and resources.	(10 minutes)
8. Katko (NY), Brindisi (NY), Morelle (NY), Stefanik (NY)	#25 Adds research on harmful algal bloom development to U.S. Geological Survey research conducted under H.R. 729.	(10 minutes)
9. Katko (NY), Brindisi (NY), Morelle (NY)	#26 Provides grant eligibility under H.R. 729 to projects that assess the impact of water level regulating practices on the Great Lakes on coastal resiliency.	(10 minutes)
10. Moore (WI)	#9 Amend the Climate Change Adaption program to add invasive species as a target of the adaptive management strategies to be included in the plans and to require such proposals to describe how they will involve and address concerns regarding the impact of climate change in coastal communities on nearby tribes and low-income and low-resource communities.	(10 minutes)
11. Moore (WI)	#10 Amends the Living Shoreline Grant Program to require plans to include an education and outreach component for the community stakeholders most affected by the proposal and to add tribes and tribal organizations to the list that the Administrator may consult with in developing program standards.	(10 minutes)
12. Crist (FL), Rooney (FL),	#4 Clarifies that Section 323, the Climate Change Adaptation Preparedness and Response Program, includes projects to address harmful algal blooms.	(10 minutes)

| 19.
Plaskett
(VI) | #27 (REVISED) Permits a waiver of certain non-Federal contribution requirements for a fish habitat conservation project at the discretion of the Secretary. | (10
minutes) |
| 20. Jayapal
(WA),
Haaland
(NM) | #6 Amends the legislation to increase the membership of the Fish Habitat Board by one seat to provide an additional seat for tribal representation. | (10
minutes) |
| 21. Jayapal
(WA) | #7 (REVISED) Amends the legislation to ensure that grant funds awarded through the Living Shoreline Grant Program may be used to incentivize landowners to engage in living shoreline projects. | (10
minutes) |

22. Jayapal (WA)	#8 Amends the legislation to ensure that in developing minimum standards to be used in selecting eligible entities to receive grants under the Living Shoreline Grant Program, the Administrator considers entities with systems to disburse funding from a single grant to support multiple small-scale projects.	(10 minutes)
23. Mucarsel-Powell (FL)	#1 Ensures that corals are included as a natural element eligible for grants provided for by the Living Shoreline Grant Program.	(10 minutes)
24. Levin, Andy (MI)	#12 Specifies avian habitat protection and restoration projects as eligible activities to be considered for the Coastal Climate Change Adaptation Project Implementation grants in this bill.	(10 minutes)
25. Levin, Andy (MI)	#24 Adds research into the effects of PFAS chemicals, mercury, and other contaminants on fisheries and fishery ecosystems to the list of research activities that may be conducted in the Great Lakes Basin by the U.S. Fish and Wildlife Service.	(10 minutes)
26. Luria (VA)	#20 Directs NOAA to consider the potential of a living shoreline project to support the resiliency of military communities when developing criteria for grant applications.	(10 minutes)
27. Rouda (CA)	#35 (LATE) Adds a new section to the bill for a prize competition to stimulate innovation to advance coastal risk and resilience measures.	(10 minutes)
28. Rouda (CA)	#36 (LATE) Adds a new section to the bill that would require the development of a catalog of research on applicable coastal risk reduction and resilience measures.	(10 minutes)
29. Johnson, Mike (LA)	#37 (LATE) Amends the Marine Mammal Protection Act of 1972 to limit the scope of the moratorium on taking and importing marine mammals and marine mammal products, and revises the requirements for obtaining an authorization for incidentally taking by harassment marine mammals.	(10 minutes)
