

H. Res. ___

H.R. 7617 - Defense, Commerce, Justice, Science, Energy and Water Development, Financial Services and General Government, Homeland Security, Labor, Health and Human Services, Education, Transportation, Housing, and Urban Development Appropriations Act, 2021

1. Structured rule.
2. Provides 90 minutes of general debate on the bill equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations.
3. Waives all points of order against consideration of the bill.
4. Provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 116-60, modified by the amendment printed in Part A of the report, shall be considered as adopted and the bill, as amended, shall be considered as read.
5. Waives all points of order against provisions in the bill, as amended.
6. Provides that clause 2(e) of rule XXI shall not apply during consideration of the bill.
7. Section 2 provides that following debate, each further amendment printed in part B of the Rules Committee report not earlier considered as part of amendments en bloc pursuant to section 3 shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, may be withdrawn by the proponent at any time before the question is put thereon, shall not be subject to amendment, and shall not be subject to a demand for division of the question.
8. Section 3 provides that at any time after debate the chair of the Committee on Appropriations or her designee may offer amendments en bloc consisting of further amendments printed in part B of the Rules Committee report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 30 minutes equally divided and controlled by the chair and ranking minority member of the Committee on

Appropriations or their designees, shall not be subject to amendment, and shall not be subject to a demand for division of the question.

9. Waives all points of order against the amendments printed in part B of the Rules Committee report and amendments en bloc described in section 3.
10. Provides that during consideration of the amendments described in sections 2 and 3, it shall not be in order to use a decrease in Overseas Contingency Operations funds to offset an amendment that increases an appropriation not designated as Overseas Contingency Operations funds or vice versa.
11. Provides one motion to recommit with or without instructions.

RESOLUTION

Resolved, That upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 7617) making appropriations for the Department of Defense for the fiscal year ending September 30, 2021, and for other purposes. All points of order against consideration of the bill are waived. An amendment in the nature of a substitute consisting of the text of Rules Committee Print 116–60, modified by the amendment printed in part A of the report of the Committee on Rules accompanying this resolution, shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. Clause 2(e) of rule XXI shall not apply during consideration of the bill. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) 90 minutes of debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations; (2) the further amendments described in section 2 of this resolution; (3) the amendments en bloc described in section 3 of this resolution; and (4) one motion to recommit with or without instructions.

Sec. 2. After debate pursuant to the first section of this resolution, each further amendment printed in part B of the report of the Committee on Rules not earlier considered as part of amendments en bloc pursuant to section 3 of this resolution shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, may be withdrawn by the proponent at any time before the question is put thereon, shall not be subject to amendment, and shall not be subject to a demand for division of the question.

Sec. 3. It shall be in order at any time after debate pursuant to the first section of this resolution for the chair of the Committee on Appropriations or

her designee to offer amendments en bloc consisting of further amendments printed in part B of the report of the Committee on Rules accompanying this resolution not earlier disposed of. Amendments en bloc offered pursuant to this section shall be considered as read, shall be debatable for 30 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees, shall not be subject to amendment, and shall not be subject to a demand for division of the question.

Sec. 4. All points of order against the further amendments printed in part B of the report of the Committee on Rules or amendments en bloc described in section 3 of this resolution are waived.

Sec. 5. During consideration of the amendments described in sections 2 and 3 of this resolution, it shall not be in order to consider an amendment proposing both a decrease in an appropriation designated pursuant to section 251(b)(2)(A)(ii) of the Balanced Budget and Emergency Deficit Control Act of 1985 and an increase in an appropriation not so designated, or vice versa.

SUMMARY OF AMENDMENT TO H.R. 7617 IN PART A PROPOSED TO BE CONSIDERED AS ADOPTED

Sponsor	# Description
1. Lowey (NY)	#45 (REVISED) (MANAGER'S) Adds certain requirements to divisions A and B relating to the deployment of Federal law enforcement or Department of Defense personnel (including contractors) to mass gatherings or other peaceful protests, including standards for coordination with the applicable state or local government, public posting of relevant information, and standards related to agency and other identification on uniforms and equipment. Strikes division E. Directs the U.S. to support the IMF's issuance of 2 trillion special drawing rights and to support debt relief to help countries around the globe recover economically from COVID-19. Ensures that employer-sponsored health insurance plans include contraceptive coverage and removes certain offensive statutory from the United States Capitol.

**SUMMARY OF AMENDMENTS TO H.R. 7617 IN PART B PROPOSED TO
BE MADE IN ORDER**

Division A – Department of Defense

(summaries derived from information provided by sponsors)

Sponsor	# Description	Debate Time
1. Allred (TX), Peters (CA), Bergman (MI)	#69 Increases Research, Test, Development, & Evaluation, Navy by \$7.7 million for the intent that \$7.7 million will be used for the Tactical Air Directional Infrared Countermeasures in order to match appropriation with authorization.	(10 minutes)
2. Bacon (NE), Panetta (CA)	#70 Increases and Decreases Defense Health Program funding by \$5,000,000 for the purpose of developing a digital solution prototype to improve total force and military family wellness, readiness and resiliency.	(10 minutes)
3. Beyer (VA), Schweikert (AZ), Brown (MD)	#6 Matches appropriation to authorization for the Direct Air Capture and Blue Carbon Removal Technology Program.	(10 minutes)
4. Blunt Rochester (DE)	#100 (REVISED) Increases Air Force RDT&E by \$5,000,000 for facility security design and construction to meet classified project requirements and decreases O&M, Space Force by \$5,000,000.	(10 minutes)
5. Brindisi (NY), Wright (TX)	#7 Increases Air Force RDT&E by \$5 million for B-2 bomber maintenance training system modernization. Offset is Defense-Wide O&M.	(10 minutes)
6. Brown (MD)	#84 (REVISED) Reduces Research and Development, Army by \$5,000,000 and increases the Defense Wide Research, Development, Test, and Evaluation account by \$5,000,000 in Basic Research Initiatives, Line 3, PE 0601110D8Z for the START research consortium of excellence for	(10 minutes)

	irregular warfare and advanced analytics.	
7. Brown (MD)	#86 (REVISED) Reduces Research and Development, Army by \$5,000,000 and increases the Defense Wide Research, Development, Test, and Evaluation account by \$5,000,000 for cyber resiliency efforts in the Central Test and Evaluation Investment Program (CTEIP).	(10 minutes)
8. Carbajal (CA), Cisneros (CA)	#47 Increases Army RDTE by \$4 million for the completion of an anthropomorphic study for body armor modernization. The study is authorized in the FY2021 NDAA and will improve future body armor so that it can be designed and fitted properly for all service members, including women.	(10 minutes)
9. Carbajal (CA), Chu (CA)	#65 Increase RDTE, Army by \$4 million to fund university and industry research centers to pursue biotechnology advancements in materials, synthetic biology, and cognitive neuroscience.	(10 minutes)
10. Carson (IN), Eshoo (CA)	#55 Provides \$5,000,0000 in additional funding for pancreatic cancer research, including early detection, at the Department of Defense (DoD).	(10 minutes)
11. Chabot (OH)	#8 Increases and decreases by \$5M for Army, RDT&E. The intent of the amendment is to provide \$5.0M for demonstration of the AH-64 dual-piloted portion of the CROSSBOW System.	(10 minutes)
12. Cicilline (RI)	#39 (REVISED) Increases funding for the Defense Established Program to Stimulate Competitive Research (DEPSCoR) program by \$2 million.	(10 minutes)
13. Cooper (TN), Foster (IL)	#60 Increases and decreases O&M Defense-Wide by \$3 million to indicate support for JASON scientific advisory group within the Office of Undersecretary of Defense for Acquisition and Sustainment.	(10 minutes)
14. Crawford (AR)	#75 Moves \$500,000 from Defense-wide O&M to Army O&M to fund a history of Explosive Ordnance Disposal project at the Army War College. This is an effort to write a definitive history of all of the Service's EOD forces,	(10 minutes)

with an eye toward identifying lessons learned, in particular those learned during large scale conventional operations.

- | | | |
|---|---|--------------|
| 15. Crow (CO), Lamborn (CO), Buck (CO), Langevin (RI), Haaland (NM) | #43 Increases funding for the purposes of cUAS technology integration with robotic combat vehicles. | (10 minutes) |
| 16. Cunningham (SC), Wilson, Joe (SC) | #25 Increases funding for Research, Development, Test and Evaluation, Navy by \$5 million to be used for the Navy's Network and Data Center Intelligent Agent program, which will help facilitate the application of novel technologies to improve troubleshooting of onboard ship data centers. | (10 minutes) |
| 17. Dingell (MI), Neguse (CO), Turner (OH), Young (AK), Trone (MD), Welch (VT), Porter (CA), González-Colón, Jenniffer (PR) | #71 (REVISED) Provides for an additional \$5 million for the Fisher House Foundation which is offset by an outlay neutral reduction in the Operation and Maintenance, Defense-wide account. | (10 minutes) |
| 18. Escobar (TX), DeLauro (CT), Sherman (CA), DeFazio (OR), Norton (DC), Keating (MA), Gallego (AZ), Haaland (NM), Garcia, Jesús (IL), Garcia, Sylvia (TX), Velázquez (NY), Espaillat (NY), Cicilline (RI), Grijalva (AZ), Davis, Susan (CA), Khanna (CA), Kennedy (MA), | #72 (REVISED) Ensures the U.S. military is not used in violation of 1st Amendment rights. | (10 minutes) |

**Pocan (WI),
Takano (CA),
Lee, Barbara
(CA), Kildee
(MI), Jayapal
(WA)**

**19. Gosar (AZ),
Perry (PA)** #22 Strikes a provision prohibiting funds appropriated to the Department of Defense from being used to construct a wall, fence, border barriers, or border security infrastructure along the southern border. (10 minutes)

**20. Graves,
Garret (LA)** #82 Increases and decreases the Army RDTE budget by \$3 million develop and test biomedical approaches to nutrition, metabolism, and human psychology to enhance warfighter capabilities and reduce health risks. (10 minutes)

**21. Grothman
(WI), Gallagher
(WI), Kind (WI),
Moore (WI)** #92 Provides an increase of \$31.306 million in Procurement, Marine Corps account to restore necessary funding for Joint Light Tactical Vehicle (JLTV) production. Decreases Operation and Maintenance, Defense-Wide by the same amount to meet required budgetary offsets. (10 minutes)

22. Guest (MS) #88 Prohibits funds from being used to implement the Air Force's proposed conversion of 11 Air National Guard KC-135 Aircraft from Primary Aerospace Vehicle Inventory (PAI) to Backup Aerospace Vehicle Inventory (BAI) until KC-46 deliveries meet the readiness goals of Air Force and Air National Guard. (10 minutes)

**23. Hartzler
(MO)** #11 Increases and decreases by \$5 million the Defense Health Program's operations and maintenance account in order to direct that \$5 million be used to provide funding for DoD medical providers to utilize non-profit, community-based, post traumatic growth organizations as a treatment option for PTSD, Suicide Prevention and for promoting service member resilience. (10 minutes)

**24. Hartzler
(MO), Cleaver
(MO), Norcross** #28 Provides \$5 million to support safety ejection seat upgrades for the T-38. This is consistent with the authorized level in the House- (10 minutes)

(NJ)	passed NDAA.	
25. Hern (OK), Cuellar (TX), Cole (OK), Horn (OK)	#15 Increases and decreases by \$3 million for research, development, test, and evaluation for the Army, with the intent that the \$3 million will be used for cyber initiatives.	(10 minutes)
26. Horn (OK), Bacon (NE)	#16 (REVISED) Increases funding to Army Aircraft Procurement for the procurement of additional litter attached load stability systems to be deployed at the bottom of the helicopter hoist.	(10 minutes)
27. Horn (OK), Smucker (PA)	#108 (LATE) (REVISED) Decreases the Defense Wide Operations and Maintenance Account by \$4,000,000 and increases the Research, Development, Test and Evaluation, Army Account by \$4,000,000 for Long Range Precision Fires Technology in order to fulfill the Army's urgent need for the development and integration of precision strike munitions capabilities in Global Position System (GPS) contested environments.	(10 minutes)
28. Hudson (NC)	#57 Decreases and Increases by \$382,084,000 for the Defense Logistics Agency to underscore the need to improve efforts to address bribery, fraud, and corruption within DLA.	(10 minutes)
29. Jackson Lee (TX)	#21 Increases and decreases the Department of Defense Military Retirement Fund by \$2 million to provide the Secretary of Defense the flexibility needed for technical assistance for U.S. military women to military women in other countries combating violence targeting women and children as a weapon of war, terrorism, human trafficking, and narcotics trafficking.	(10 minutes)
30. Jackson Lee (TX)	#23 (REVISED) Reduces funding for Operations and Maintenance-Defense Wide, by \$5 million and increases funding for Defense Health Care for PTSD by \$5 million.	(10 minutes)
31. Jackson Lee (TX)	#24 (REVISED) Reduces funding for Operations and Maintenance-Defense Wide, by \$10 million and increases funding for Defense Health Care for Triple Negative Breast Cancer (TNBC) by \$10 million.	(10 minutes)
32. Lamb (PA)	#26 Provides an additional \$4,000,000 for Navy	(10

	Research, Development, Testing, and Evaluation and directs those resources to novel therapeutic interventions research under the Warfighter Protection Advance Technology program to improve warfighter resilience and readiness.	minutes)
33. Levin, Mike (CA), Lesko (AZ)	#37 Provides \$4 million for the Link-16 Space Experiment to demonstrate the ability to add real-time sensor-to-shooter integration to Link-16 on satellites that would help increase mission speed and safety.	(10 minutes)
34. Loeb sack (IA), Mullin (OK)	#13 (REVISED) Increases funding available by \$2 million for the United States Army Medical Research and Development Command to carry research for Tuberos Sclerosis Complex Research Program (TSCR P) in Defense Health Program.	(10 minutes)
35. Lynch (MA), Hice (GA), Green, Mark (TN)	#44 Increases and decreases the Operation and Maintenance, Defense-wide account by \$5 Million to provide funding for the Defense POW/MIA Accounting Agency.	(10 minutes)
36. Malinowski (NJ)	#91 (REVISED) Prohibits the use of DOD funds to require software & hardware companies to include backdoors & vulnerabilities or to scrap key privacy and safety features in their consumer goods.	(10 minutes)
37. Matsui (CA)	#98 (REVISED) Increases by \$4,500,000 the funds provided under the Defense Health Program made available to the United States Army Medical Research and Development Command to carry out the Congressionally Directed Medical Research Program. It would transfer DHP funds from operation and maintenance to research, development, test, and evaluation.	(10 minutes)
38. McBath (GA)	#42 Increases and decreases by \$250,000 for research, development, test, and evaluation for the Air Force, to indicate support for a study on how to best leverage ongoing commercial investments in high-speed aircraft to support Air Force Intelligence Surveillance and Reconnaissance (ISR) modernization, including consideration of operations in contested environments.	(10 minutes)

39. Miller (WV)	#61 Strikes a provision that would prohibit construction at the southern border, including roads, the border wall, fence, or barrier.	(10 minutes)
40. Mitchell (MI)	#4 Increases and decreases Research, Development, Technology and Evaluation, Defense-Wide to increase funding for weldable ultra hard armor.	(10 minutes)
41. Mitchell (MI), Dingell (MI)	#10 (REVISED) Increases and decreases Other Procurement, Army account to restore the Army's investments in HMMWV anti-lock brake system and electronic stability control retrofit kits to prevent rollover accidents.	(10 minutes)
42. Moolenaar (MI)	#112 (LATE) Provides \$10,000,000 in National Guard Personnel, Army funding for Operation Northern Strike, equal to FY20 enacted level.	(10 minutes)
43. Moulton (MA), Mitchell (MI), Lipinski (IL)	#58 Increases Research, Development , Test & Evaluation, Defense-Wide by \$20,000,000 and decreases Operation & Maintenance, Defense-Wide by the same amount. The amendment would secure a total of \$40,000,000 for the National Security Innovation Network, the program office within the Office of the Secretary of Defense charged with building new networks of innovators.	(10 minutes)
44. Moulton (MA)	#73 Increases and decreases by \$5,000,000 funding for Department of Defense security cooperation programs in order to establish a pilot program to demonstrate regional cyber cooperation in Southeast Asia.	(10 minutes)
45. Moulton (MA), Wilson, Joe (SC), Bergman (MI), Golden (ME), Gallego (AZ)	#87 Increases and decreases the Drug Interdiction and Counter-Drug Activities, Defense account by \$4 million funding in order to restore funding for the Young Marines to historic levels. The Young Marines are a youth military program that partners with the DEA, Military Services, and other national service organization, to develop 8-18 year old members into responsible citizens and leaders.	(10 minutes)
46. Murphy, Stephanie (FL),	#12 Increases and decreases the Army's Research, Development, Test and Evaluation	(10 minutes)

Scott, Bobby (VA), Bergman (MI)	budget activity by \$5 million, to indicate support for the Synthetic Training Environment Refinement and Prototyping program element, funded in the bill at \$129,547,000.	
47. Norman (SC)	#20 (REVISED) Prohibits the use of funds by the Navy for a test or pilot program that utilizes the current Mk 38 25mm remote gun system, scheduled to be replaced by FY2021, to avoid wasteful spending and moot results.	(10 minutes)
48. Norton (DC)	#1 Increases and decreases by \$2.5 million for research, development, test, and evaluation for the Air Force, with the intent that the \$2.5 million will be used for the Small Business Innovation Research topic SB152-008.	(10 minutes)
49. Ocasio-Cortez (NY)	#5 (REVISED) Prohibits the use of funds for military recruitment via Twitch and e-sports activities.	(10 minutes)
50. Panetta (CA), Suozzi (NY), Bacon (NE)	#41 Resources the Army's Future Vertical Lift Advanced Technology program to support an upgraded head mounted display and enhance flight safety in degraded visual environments (snow, dust, rain, night).	(10 minutes)
51. Panetta (CA)	#68 (REVISED) Increases and decreases the operation and maintenance, defense wide account by \$2 million in order to Resource the USSOCOM Preservation of the Force and Family program to provide support services specifically designed to build resilience, improve operational performance, and ensure force readiness.	(10 minutes)
52. Pappas (NH), Khanna (CA)	#62 (REVISED) Increases and decreases the Defense Health Program account by \$4,000,000 in order to provide funding for the Defense Health Agency's Armed Forces Medical Examiner System's DoD DNA Operations Section to perform DNA testing for DPAA in support of its efforts to identify POW/MIAs.	(10 minutes)
53. Peters (CA)	#106 (LATE) (REVISED) Increase Navy RDT&E by \$2,500,000 and decrease O&M by the same amount. This increase will allow for the USMC to continue work on the Fused	(10 minutes)

		Integrated Naval Network (FINN), which allows for enhanced operations by prototyping a new aircraft pod-mounted system to integrate the Navy's New technology Common Data Link and Directional Networking Waveform programs, among other benefits.	
54. Porter (CA)	#90	Increases and decreases funding for the Defense Health Program by approximately 0.001% of total Department of Defense funding to highlight the inadequate resources dedicated to suicide prevention programs.	(10 minutes)
55. Posey (FL)	#48 (REVISED)	Provides for an increase to Army OPA for the Joint Effects Targeting System (JETS) by \$5M. Reduces funding from O&M, Army - Servicewide Communications account by \$5M.	(10 minutes)
56. Reschenthaler (PA)	#64 (REVISED)	Increases defense-wide RDTE by \$5 million to establish and scale a domestic supply for strategic metals, specifically titanium, by converting military and industrial scrap materials into aerospace grade powders, which will reduce costs, improve readiness, and reduce dependence on imported strategic metals for use in defense and commercial aerospace systems.	(10 minutes)
57. Scanlon (PA)	#113 (LATE)	Increases and decreases by \$5 million funding for Air Force Research, Development, Test and Evaluation for purposes of supporting Aerial Reconfigurable Embedded System modular VTOL UAS.	(10 minutes)
58. Schweikert (AZ), Lesko (AZ)	#59	Increases the Family of Non-Lethal Equipment program in Other Procurement, Army to include an upgrade of the current Army conducted electrical weapon inventory to replace non-working and obsolete systems with the unit most recently qualified for use by the service, and to reduce Operations and Maintenance Army, Servicewide Communications by the corresponding amount.	(10 minutes)
59. Shalala (FL)	#9 (REVISED)	Increases the Research,	(10

- Development, Test and Evaluation, Defense-Wide program to ensure contract requirements between American universities and Confucius Institutes comply with provisions to protect academic freedom at the institution and prohibits the application of any foreign law on any campus affiliated with the institution, and for other purposes. minutes)
- 60. Sherrill (NJ)** #35 Increases and decreases the Research, Development, Test, and Evaluation, Defense-Wide account by \$5 million, directed to the Chemical and Biological Defense Program, to support military-civilian partnerships on the development of decontamination technologies for pandemic preparedness and response. (10 minutes)
- 61. Sherrill (NJ)** #45 Increases funding for Munition Standardization, Effectiveness, and Safety to support research into foamable celluloid materials for enhanced munitions performance and cost reduction. (10 minutes)
- 62. Sherrill (NJ)** #46 Increases funding for Joint Munition Technology for research into advanced energetic materials for long-range munitions, increasing their range and lethality. (10 minutes)
- 63. Slotkin (MI), Gallagher (WI)** #109 **(LATE)** Increases funding for DoD investment in dual-use hardware technologies critical to national security and manufactured in the United States by supporting the National Security Innovation Capital program. Research, Development, Test & Evaluation, Defense-Wide is increased by \$15,000,000, and Operations & Maintenance, Defense Wide is decreased by the same amount. (10 minutes)
- 64. Smith, Adam (WA)** #29 Increases LPD Class Support Equipment by \$5 million for alternative actuator competition for amphibious ships, and decreases LCS MCM Mission Modules by \$5 million. (10 minutes)
- 65. Smith, Jason (MO), Rogers, Mike** #40 Increases funding for Army procurement of the Joint Assault Bridge. Offset is Defense-Wide O&M. (10 minutes)

		advocate for the individualized educational needs of military children served by EFMP.	
69. Speier (CA)	#79	Increases and decreases funding by \$1 million to ensure surveillance systems are operational at key Army facilities, such as the Fort Hood armory where SPC Vanessa Guillén was murdered, which had video surveillance equipment that was not maintained or functioning.	(10 minutes)
70. Stauber (MN), Tiffany, Thomas (WI), Cox (CA)	#81	Increases and decreases the Operation and Maintenance, Navy account by \$1,000,000 with the intent of giving the Secretary of the Navy the authority to direct naval ship maintenance at non-homeport shipyards to meet surge capacity should the shipyards meet the requirements of the Navy for ship repair work.	(10 minutes)
71. Stefanik (NY), Langevin (RI)	#17	Increases and decreases funding for the Operation and Maintenance, Defense-Wide account by \$2,500,000 to emphasize the need to fund the National Security Commission on Artificial Intelligence (NSCAI).	(10 minutes)
72. Stevens (MI), Mitchell (MI), Slotkin (MI)	#67	Increases and decreases by \$5,000,000 to support research and development in hypersonics and thermal management in the Manufacturing USA Institutes.	(10 minutes)
73. Suozzi (NY), Rice, Kathleen (NY), Zeldin (NY), King, Peter (NY)	#56 (REVISED)	Resources the Navy's Aviation Life Support Mods (#52) to maintain minimum production of the Enhanced Emergency Oxygen System (EEOS) to addresses safety issues for navy aircrews experiencing hypoxia during flight.	(10 minutes)
74. Thornberry (TX)	#53	Increases and decreases by \$3.0 million for research, development, test, and evaluation defense-wide, with the intent that the \$3.0 million will be used for Defense Innovation Unit pilot program on talent optimization.	(10 minutes)
75. Torres Small, Xochitl (NM)	#105 (LATE)	Increases and decreases by \$5 million for research, development, test, and evaluation, Defense-wide, with the intent that the \$5 million will be used for Missile Defense Agency's Advanced Research Program related to high-speed flight experiment testing.	(10 minutes)

76. Turner (OH), Chabot (OH), Stivers (OH), Wenstrup (OH)	#63 (REVISED) Increases funding for Air Force basic and applied scientific research, development, test and evaluation by \$6 million for Autonomous Air Combat Operations (AACO) programs.	(10 minutes)
77. Upton (MI)	#34 Transfers \$3 million to Research, Development, Test, and Evaluation for the Army with the intent it be used to accelerate aircraft cleaning and deicing system (ACDS) capability to help prevent and control corrosion of aviation assets through development and testing of an aircraft washing system.	(10 minutes)
78. Veasey (TX), Wenstrup (OH)	#3 Takes \$5 million in funding away from the Operations and Maintenance, Defense-Wide Account and gives that \$5 million in funding to the Procurement of Ammunition, Navy and Marine Corps Account. This funding would help the ALaMo program transition from Low-Rate Initial Production to full production and create cost savings on mid-range ammunition in the long run.	(10 minutes)
79. Waltz (FL)	#50 (REVISED) Increases funding for Special Operations Command Armed Overwatch by \$32 million to match funding level in the FY21 Defense Authorization Act, and decreases Chemical Agents and Munitions Destruction RDTE.	(10 minutes)
80. Wilson, Joe (SC)	#94 Prohibits US funding from going to the Badr Organization a militia whose leader participated in the attack on the US Embassy in Baghdad in December 2019.	(10 minutes)
81. Wilson, Joe (SC)	#95 Prohibits taxpayer funding from going to the Iraqi Popular Mobilization Forces which are largely made up of Iranian backed militias.	(10 minutes)
82. Young (AK)	#89 Reduces the Air Force Operations and Maintenance account by \$20 million and increases the Air Force Research, Development, Test, and evaluation by the same amount, for an initial Arctic communications capability.	(10 minutes)
83. Young (AK), Gabbard (HI), Gallego (AZ)	#101 (REVISED) Decreases the Defense Wide Operations and Maintenance account by \$10 million and increases the Air Force	(10 minutes)

Operations and Maintenance account by the same amount, for the ISR Operations Office to support the Cyber Operations for Base Resilient Architecture Pilot Program.

Division B – Commerce, Justice, Science, and Related Agencies

(summaries derived from information provided by sponsors)

Sponsor	# Description	Debate Time
84. Adams (NC)	#55 Prohibits the use of Department of Justice funds to acquire chemical agents, such as tear gas.	(10 minutes)
85. Babin (TX)	#86 (REVISED) Restores the Office of Space Commerce and the Office of Commercial Remote Sensing Regulatory Affairs back to where they are authorized by statute, thereby advancing U.S. leadership in space commerce and commercial remote sensing.	(10 minutes)
86. Bera (CA)	#37 (REVISED) Increases VAWA grant program accounts by \$1 million to support increased funding for grants enhancing culturally specific services for domestic violence survivors.	(10 minutes)
87. Blumenauer (OR), McClintock (CA), Norton (DC), Lee, Barbara (CA)	#17 (REVISED) Prohibits the Department of Justice from interfering with state and tribal cannabis programs. The term “state” includes the District of Columbia, the Commonwealth of the Northern Mariana Islands, Guam, the Virgin Islands, and Puerto Rico.	(10 minutes)
88. Bost (IL)	#15 (REVISED) Increases the Community Oriented Policing Services (COPS) grants authorized by the STOP School Violence Act by \$1 million.	(10 minutes)
89. Bost (IL), Crawford (AR), Lamb (PA), Higgins, Brian (NY), Davis, Rodney (IL),	#76 (REVISED) Increases and decreases International Trade Administration (ITA) Operations and Administration to prioritize ITA Enforcement and Compliance anti-dumping (AD) and countervailing duty (CVD) activities and to direct ITA to report	(10 minutes)

Loebsack (IA), Byrne (AL)	to the Committee on its plans to increase staffing for personnel involved in AD/CVD activities in order to address substantial increases in AD/CVD petitions, orders and reviews.	
90. Burgess (TX), Brooks, Susan (IN), DeGette (CO), Kuster (NH)	#46 Increases funding for the Keep Young Athletes Safe Act grant program by \$2.5 million and reduces funding for salaries and expenses at the Department of Commerce by \$2.5 million.	(10 minutes)
91. Cárdenas (CA)	#12 (REVISED) Increases funds focusing on girls in the juvenile justice system within the existing Title V program by \$1 million.	(10 minutes)
92. Cárdenas (CA)	#13 (REVISED) Increases collaborative mental health and anti-recidivism initiative by \$1 million.	(10 minutes)
93. Cohen (TN)	#32 Prohibits the use of funds to enter into any new contract, grant, or cooperative agreement with any Trump related business listed in the President Trump's Annual Financial Disclosure Report submitted to the Office of Government Ethics as well as certain Trump related properties listed on the Trump Organization's website. The specific businesses are listed in the amendment.	(10 minutes)
94. Escobar (TX)	#20 Prohibits funds from being used to enforce the zero-tolerance prosecution policy at the Department of Justice.	(10 minutes)
95. Escobar (TX), DeLauro (CT), Sherman (CA), DeFazio (OR), Norton (DC), Keating (MA), Gallego (AZ), Haaland (NM), Garcia, Jesús (IL), Garcia, Sylvia (TX), Velázquez (NY), Espaillat (NY), Cicilline (RI), Grijalva	#52 (REVISED) Ensures that federal law enforcement is not used in violation of 1st Amendment rights. |---|--|--------------|
| 96. Espaillat (NY) | #56 Increases and decreases the National Science Foundation account by \$10,000,000 to highlight and encourage continued support of undergraduate STEM education at Hispanic-Serving Institutions (HSIs); as authorized by the America COMPETES Act (P.L. 110-69). | (10 minutes) |
| 97. Gomez (CA) | #73 Increases funding for the National Institute of Standards and Technology (NIST) by \$5 million to promote the participation of women and people of color in research areas supported by NIST, and reduces funding from Commerce's Departmental Management, Salaries and Expenses account by \$5 million. | (10 minutes) |
| 98. Gosar (AZ) | #58 Strikes a provision which prohibits the Bureau of the Census from using funds to produce any data product or tabulation based on data not collected in the census. | (10 minutes) |
| 99. Gottheimer (NJ), Pappas (NH) | #39 Increases and decreases the Manufacturing Extension Partnership account by \$1 million to address the supply chain challenges caused by COVID-19 and the need for additional investment in domestic manufacturing supply lines. | (10 minutes) |
| 100. Horsford (NV) | #23 Nullifies the effect of the recent executive order that requires Federal agencies to share citizenship data. | (10 minutes) |
| 101. Hudson (NC) | #4 Increases by \$1 million the amount available for research to study the root causes of school violence. | (10 minutes) |
| 102. Jackson Lee (TX) | #19 Increases and decreases by \$2,000,000 funding for the Office of Justice Programs grant in order to support programs to engage | (10 minutes) |

	adult men and young persons to reduce and prevent domestic violence against children.	
103. Jayapal (WA), Omar (MN)	#87 (LATE) (REVISED) Transfers \$2 million from Department of Justice general administration account to a National Center for Restorative Justice.	(10 minutes)
104. Johnson, Eddie Bernice (TX), Beyer (VA), Sherman (CA), Wexton (VA), Lofgren (CA), Casten (IL), Foster (IL), Cohen (TN), Lamb (PA), Stevens (MI)	#11 (REVISED) Increases and decreases Research and Related Activities by \$1,500,000 to fund a National Academies study on racism in STEM studies and careers.	(10 minutes)
105. Kuster (NH), Speier (CA), Dingell (MI), McBath (GA)	#45 (REVISED) Increases funding by \$1 million for programs that address violence and abuse in later life.	(10 minutes)
106. Lieu (CA), Haaland (NM), Cleaver (MO), Ocasio-Cortez (NY), Tlaib (MI)	#78 Prohibits funds from being used for DOJ's Operation Legend and Operation Relentless Pursuit, which are being used to send federal law enforcement officers into various cities across the U.S.	(10 minutes)
107. Lipinski (IL)	#22 Increases and decreases the National Science Foundation Research and Related Activities by \$1,000,000 to highlight the importance of programs that facilitate university research tech transfer, including Innovation Corps.	(10 minutes)
108. Lowenthal (CA), Palazzo (MS), Soto (FL)	#16 Increases and decreases NASA's Science Missions Directorate by \$30 million to compliment the report language enhancing the small satellite mission launch services.	(10 minutes)
109. Malinowski (NJ)	#38 Increases and decreases by \$1,000,000 the Department of Justice's National Security Division to emphasize the need for more resources into domestic terrorism investigation and prosecution such as the Counsel for Domestic Terrorism.	(10 minutes)

110. McAdams (UT)	#25 Increases funding for Internet Crimes Against Children Task Force grants under the DOJ missing and exploited children programs by \$1 million with offsets.	(10 minutes)
111. McAdams (UT), Costa (CA), Olson (TX), Wagner (MO)	#35 Increases funding to Victims of Child Abuse Act programs to support Child Advocacy Centers that provide services to child survivors of abuse by \$2 million with offsets.	(10 minutes)
112. McKinley (WV), Perlmutter (CO)	#50 Increases and decreases the Salaries and Expenses account within the Federal Prison System budget by \$2 million in order to direct that \$2 million within the account to be used for recruitment and retention incentive programs at short-staffed facilities.	(10 minutes)
113. McKinley (WV)	#53 Increases NOAA's Procurement, Acquisition, and Construction account by \$15 million, with the additional funding intended for the expansion of the Weather and Climate Operational Supercomputing System. Reduces NOAA's Operations, Research, and Facilities account by \$15 million with the intent of repurposing research funding for the supercomputing system.	(10 minutes)
114. McKinley (WV)	#54 Increases and decreases NOAA's Procurement, Acquisition, and Construction account by \$2.3 million, in order to direct that \$2.3 million to be used to create a test bed for advanced propulsion and mechanical subsystems that could be utilized in a new green boat design.	(10 minutes)
115. McNerney (CA)	#51 Increases and decreases by \$5,000,000 the National Science Foundation's Research and Related Activities budget to support a National Academy of Sciences study on the optimal approaches and procedures for implementing partisan symmetry and compactness criteria for congressional district selection.	(10 minutes)
116. McNerney (CA), Olson (TX), Eshoo (CA), McCaul (TX), Doyle	#84 (LATE) Increases and decreases funding for NSF by \$1.5 million in order for NSF to examine, including through workshops, and publish findings on: 1) Which universities are putting out significant peer-reviewed AI	(10 minutes)

<p>(PA), Gonzalez, Anthony (OH), Lofgren (CA), Soto (FL), Rooney (FL), DelBene (WA), Weber (TX), Foster (IL), Beyer (VA), Stevens (MI), Kelly, Robin (IL), Waltz (FL), Lawrence (MI)</p>	<p>research, including based on quantity and number of citations; 2) For each of the universities listed in (1), what specific factors enable their AI research, including computing power, data sets and availability, specialized curriculum, and industry and other partnerships; and 3) How universities not included in (1) could implement the factors in (2) to produce AI research, as well as case studies that universities can look to as examples and potential pilot programs that the federal government could develop or support to help universities produce AI research.</p>	
<p>117. Meng (NY)</p>	<p>#33 Prohibits use of funds made available by this Act to implement, administer, or enforce the Presidential Memorandum on Excluding Illegal Aliens From the Apportionment Base Following the 2020 Census, issued on July 21, 2020.</p>	<p>(10 minutes)</p>
<p>118. Moore (WI), Speier (CA), Dingell (MI), McBath (GA)</p>	<p>#8 (REVISED) Increase VAWA's Transitional Housing Program by \$2.5 million.</p>	<p>(10 minutes)</p>
<p>119. Moore (WI), Speier (CA), Dingell (MI), McBath (GA)</p>	<p>#9 (REVISED) Increase VAWA's Sexual Assault Special Program Formula Grant by \$2.5 million.</p>	<p>(10 minutes)</p>
<p>120. Moulton (MA), Golden (ME), Posey (FL), Rutherford (FL)</p>	<p>#71 Provides an additional \$1.5 million in funding for the research and monitoring of North Atlantic Right Whales.</p>	<p>(10 minutes)</p>
<p>121. Neguse (CO)</p>	<p>#43 (REVISED) Increases funding for the NASA National Space Grant College and Fellowship Program by \$1 million. The Space Grant Program works with nearly 1,000 nationwide partner institutions in every state, to promote aerospace and other NASA relevant STEM education activities, and to sustain a pipeline of students for innovative, high-tech jobs.</p>	<p>(10 minutes)</p>
<p>122. Neguse</p>	<p>#44 (REVISED) Increases by \$1 million grants</p>	<p>(10</p>

(CO), McBath (GA), Thompson, Mike (CA)	to States to upgrade criminal and mental health records for the National Instant Criminal Background Check System. Reduces by \$1 million the DOJ General Administration Salaries and Expenses.	(minutes)
123. Neguse (CO), Gaetz (FL), Posey (FL), Cohen (TN), McAdams (UT), Cárdenas (CA), Fitzpatrick (PA), Raskin (MD), Katko (NY), Titus (NV), Norton (DC), Schrader (OR)	#61 (REVISED) Increases and decreases \$1 million to the General Legal Activities account at the Department of Justice to allocate more resources for the enforcement of anti-animal cruelty laws at the DOJ Environment and Natural Resources Division.	(10 minutes)
124. Norton (DC)	#2 Prohibits the Federal Bureau of Prisons from using funds to impose subsistence fees on individuals in halfway houses or on home confinement.	(10 minutes)
125. Ocasio-Cortez (NY), Takano (CA), Garcia, Jesús (IL), Omar (MN), Pocan (WI)	#59 Prohibits any funds under Division B to be used to purchase chemical weapons for law enforcement purposes.	(10 minutes)
126. Omar (MN)	#92 (LATE) Increases funding for Bureau of Economic Analysis for the purpose of studying the economic impacts of a universal basic income program on the national economic recovery effort.	(10 minutes)
127. Omar (MN)	#94 (LATE) Transfers \$500,000 to the Federal Prison System to highlight the importance of providing cost-free reading and learning materials in detention facilities.	(10 minutes)
128. Omar (MN)	#96 (LATE) (REVISED) Provides a \$1 million increase to grants to state and local law enforcement agencies for the expenses associated with the investigation and prosecution of criminal offenses, involving	(10 minutes)

civil rights, authorized by the Emmett Till Unsolved Civil Rights Crimes Reauthorization Act of 2016.

- | | | | |
|--|-----|--|--------------|
| 129. Pappas (NH) | #42 | Increases and decreases State and Local Law Enforcement Assistance by \$10,000,000 to support \$10,000,000 in grant money for local law enforcement agencies with fewer than 350 employees to pay for accreditation or re-certification by a national, state, regional, or Tribal professional law enforcement organization. | (10 minutes) |
| 130. Perry (PA) | #95 | (LATE) Increases and decreases by \$100,000 for the purpose of developing, enlarging, or strengthening victim services and legal assistance programs for victims of Female Genital Mutilation. | (10 minutes) |
| 131. Porter (CA) | #5 | (REVISED) Increases funding by \$1 million to investigate and prosecute hate crimes, and to support education and outreach under the Matthew Shepard and James Byrd, Jr. Hate Crimes Prevention Act. | (10 minutes) |
| 132. Porter (CA) | #6 | (REVISED) Increases funding by \$1 million to address the sexual assault kit backlog. | (10 minutes) |
| 133. Pressley (MA), Ocasio-Cortez (NY), Tlaib (MI), Omar (MN) | #66 | Prohibits funds from being used to maintain and increase police presence in K-12 schools. | (10 minutes) |
| 134. Ruiz (CA), Rose, Max (NY) | #7 | (REVISED) Increases funding for Law Enforcement Mental Health and Wellness Act program grants by \$2.5 million. | (10 minutes) |
| 135. Rush (IL) | #10 | (REVISED) Increases funding for community-based violence prevention initiatives. | (10 minutes) |
| 136. Scanlon (PA) | #57 | (REVISED) Increases and decreases funds in the Department of Justice Salaries and Expenses account in order to give funds to the Office of Access to Justice, which provides access to legal aid for individuals in need. | (10 minutes) |
| 137. Schneider (IL), Torres, Norma (CA), | #67 | Increases and decreases FBI Salaries and Expenses by \$1 million to direct the FBI to develop and implement a process to track | (10 minutes) |

Gonzalez, Vicente (TX)	and report to Congress on an annual basis on extremist activity in law enforcement, including Federal law enforcement agencies.	(10 minutes)
138. Schneider (IL), Gonzalez, Vicente (TX)	#68 Increases and decreases FBI Salaries and Expenses by \$10 million to direct the FBI to assign a special agent or hate crimes liaison to each field office of the FBI to investigate hate crimes incidents with a nexus to domestic terrorism.	(10 minutes)
139. Scott, Bobby (VA), Maloney, Carolyn (NY), Bonamici (OR), Raskin (MD), Norton (DC)	#14 Prohibits the use of funds made available by this Act for the Equal Employment Opportunity Commission (EEOC) to finalize, issue or enforce the proposed rule entitled “Official Time in Federal Sector Cases Before the Commission” published in the Federal Register on December 11, 2019. This proposed rule would amend the current EEOC rule that requires official time to be provided to a complainant’s representative to exclude any representative who is “an officer, steward or otherwise in an official capacity” with a union.	(10 minutes)
140. Soto (FL), Kirkpatrick (AZ)	#77 Increases and decreases funding for NASA’s Planetary Science budget to reaffirm the importance of the Near Earth Object Surveillance Mission (NEOSM) in identifying potentially hazardous near Earth objects and ensures that at least \$40 million of NASA’s Planetary Science budget is used to fund NEOSM.	(10 minutes)
141. Speier (CA), Scanlon (PA), Spanberger (VA)	#18 Increases funding for DOJ’s Community Relations Service by \$2.7 million in order to support hiring of regional directors and mediation specialists to work within communities to facilitate dialogue and provide mediation, training, and consultation when conflicts arise based on race, color, national origin, sex, religion, or disability.	(10 minutes)
142. Speier (CA), Moore (WI), Dingell (MI), McBath (GA), Haaland	#83 (LATE) (REVISED) Increases funding for the Debbie Smith program by \$4 million to help close the rape kit backlog.	(10 minutes)

(NM)

- | | | |
|---|--|-----------------|
| 143. Stevens
(MI) | #24 Increases and decreases the NASA Aeronautics account by \$15 million to support the domestic development of lower cost, higher rate production advanced carbon fiber composite structures to meet the multi-functional requirements of subsonic and hypersonic flight, including thermal management, damping, shielding, shock and light-weighting. | (10
minutes) |
| 144. Stevens
(MI) | #27 Increases and decreases the National Science Foundation's research and related activities account by \$200 million to highlight the work of the NSF on COVID-related research and encourage continued support. | (10
minutes) |
| 145. Stevens
(MI) | #28 Increases and decreases the National Science Foundation's Education & Human Resources account by \$350 million to highlight NSF's work with K-12 STEM education programs and encourage continued support. | (10
minutes) |
| 146. Tlaib (MI),
Ocasio-Cortez
(NY) | #80 (REVISED) Prohibits funds from being used by the Department of Justice (DOJ) to implement, administer, or enforce the DOJ rule requiring DNA collection from immigration detainees. | (10
minutes) |
| 147. Tonko
(NY), Lucas
(OK) | #91 (LATE) Increases and decreases the NOAA operations, research, and facilities account by \$2,000,000 in order to reserve the \$2,000,000 to establish the Boundary Layer Observations and Wind Profiler Research Program. The 'Boundary Layer' of the atmosphere is the most crucial to understand for accurate weather predictions, but it is also the layer of the atmosphere we know the least about; this amendment funds the development of a recommended strategy for boundary layer stations as part of a weather ready nation. | (10
minutes) |
| 148. Underwood
(IL),
Schakowsky
(IL), Cisneros | #1 (REVISED) Prevents the Department of Justice from using federal funds for litigation that undermines the Affordable Care Act. | (10
minutes) |

150. Waters

#34 States that no funds in this act may be used

(10

(CA) to interfere with the duties and responsibilities of United States Attorneys. (minutes)

Division C – Energy and Water Development and Related Agencies

(summaries derived from information provided by sponsors)

Sponsor	# Description	Debate Time
151. Barragán (CA), Pressley (MA)	#23 Adds \$25 million for grants to deploy solar and distributed energy systems in low-income and underserved communities, raising the existing amount from \$200 million to \$225 million.	(10 minutes)
152. Barragán (CA)	#24 Increases and decreases funding by \$1 million for the SPR Petroleum Account to highlight that none of the funds made available by this Act should be used to store any petroleum products that are not owned by the United States in a storage or related facility of the Strategic Petroleum Reserve that is owned by, or leased to, the United States.	(10 minutes)
153. Bergman (MI)	#5 Increases funding for the U.S. Army Corps of Engineers (USACE) Regulatory Program by \$5,000,000 for the purpose of ensuring timely processing of permits related to Great Lakes flooding and rising water levels, including through the promotion and appropriate application of After the Fact Permits described in 33 CFR 326.3(e) which may help USACE process many small-scale requests in a swift manner and avoid backlogs.	(10 minutes)
154. Boyle (PA), Porter (CA)	#1 Prevents funds from this act from being used to reject grant applications due to the use of the term "global warming" or the term "climate change."	(10 minutes)
155. Cohen (TN)	#25 Prohibits the use of funds to enter into any new contract, grant, or cooperative agreement with any Trump related business	(10 minutes)

listed in the President Trump's Annual Financial Disclosure Report submitted to the Office of Government Ethics as well as certain Trump related properties listed on the Trump Organization's website. The specific business are listed in the amendment.

- | | | |
|--------------------------------------|---|--------------|
| 156. Cooper (TN) | #41 Increases and decreases the Corps of Engineers investigations account by \$1.3 million to highlight the need to study adding flood risk management as an authorized purpose for the Old Hickory Lock and Dam and the Cordell Hull Dam and Reservoir. | (10 minutes) |
| 157. Dingell (MI), Upton (MI) | #9 Increases and decreases FERC's budget by \$3 million for the purpose of emphasizing continued improvements in dam safety, including conducting a technical conference with States to improve safety oversight of hydropower projects. | (10 minutes) |
| 158. Dingell (MI) | #51 (REVISED) Prohibits funds for FERC to grant a hydropower license in contravention of the requirement for a licensee to conform to the rules and regulations of FERC's dam safety requirements under the Federal Power Act. | (10 minutes) |
| 159. Fletcher (TX) | #17 Increases and decreases funding for the DOE's Fossil Energy Research and Development account by \$10 million to emphasize support for the testing and evaluation of using deep well injection and geothermal biodegradation to divert and sequester biosolids and other complex waste streams away from land-based disposal options, while reducing carbon emissions. | (10 minutes) |
| 160. Gianforte (MT) | #58 (LATE) Increases and decreases the Water and Related Resources account by \$25 million to underscore that funds should be used for the St. Mary's Rehabilitation Phase One. | (10 minutes) |
| 161. Gosar (AZ) | #13 Increases funding for critical minerals in Office of Fossil Energy by \$2.5 million and the Office of Energy Efficiency and Renewable Energy by \$600,000 to match the President's FY 21 Budget Request. These | (10 minutes) |

increases are offset by a decrease of \$3.1 million from the DOE Departmental General Administration account.

- | | | |
|---|---|--------------|
| 162. Gosar (AZ) | #14 Strikes a provision which prohibits funds for the Civil Works Program of the United States Army Corps of Engineers from being used to design or construct a wall, fence, border barriers, or border security infrastructure along the southern border. | (10 minutes) |
| 163. Gosar (AZ) | #18 Transfers \$5 million from the Department of Energy's Departmental Administration account to the Cybersecurity, Energy Security, and Emergency Response account. | (10 minutes) |
| 164. Gosar (AZ) | #19 Transfers \$5 million from the Department of Energy's Departmental Administration account to the Office of Science to highlight the importance of R&D for quantum computing. | (10 minutes) |
| 165. Huffman (CA), DeFazio (OR), Speier (CA), Levin, Mike (CA), Rouda (CA) | #50 States that none of the funds can be used for the Army Corps of Engineers to issue the Record of Decision for the proposed Pebble Mine project. | (10 minutes) |
| 166. Jayapal (WA), Garcia, Jesús (IL) | #20 Increases and decreases by \$52.5 million the Army Corps Construction account to highlight the need to fully fund the Army Corps Section 206 program at the authorized amount of \$62.5 million in order to provide critical support for fish passage and other aquatic ecosystem restoration projects. | (10 minutes) |
| 167. Jayapal (WA), Tonko (NY), Pressley (MA) | #28 Increases funding for the Weatherization Assistance Program (WAP) by \$250 million to ensure that funding is sufficient to meet the increased need for assistance in reducing household energy costs and supporting the creation of green jobs as a result of the COVID-19 crisis. Also increases funding for WAP training and technical assistance by \$3 million. | (10 minutes) |
| 168. Levin, Mike (CA), Porter (CA) | #10 (REVISED) Prohibits the Nuclear Regulatory Commission from using funds to remove inspectors from licensed reactors undergoing spent fuel loading campaigns. | (10 minutes) |

169. Lipinski (IL), Foster (IL), Casten (IL), Schakowsky (IL)	#11 Increases and decreases the Department of Energy Office of Science by \$25,000,000 for the purpose of highlighting support for the Argonne Leadership Computing Facility.	(10 minutes)
170. Loeb sack (IA), Welch (VT), Stefanik (NY)	#49 Increases and decreases the Energy Efficiency and Renewable Energy account by \$5,000,000 with the intent of supporting the advancement of distributed wind technologies and research.	(10 minutes)
171. Lujan (NM)	#56 (LATE) (REVISED) Increases and decreases the Departmental Administration account by \$1,000,000 to emphasize greater flexibility to DOE's research and development offices in administering the Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) programs.	(10 minutes)
172. Lynch (MA)	#39 (REVISED) Increases and decreases the USACE Construction Account by \$10 million.	(10 minutes)
173. Malinowski (NJ)	#30 (REVISED) Increases funding for the Vehicle Technologies Office by \$25 million to advance the development and use of plug-in electric vehicles charging infrastructure.	(10 minutes)
174. McAdams (UT)	#33 (REVISED) Provides additional funding for the Central Utah Project Completion Act program.	(10 minutes)
175. McAdams (UT)	#35 Provides additional funding for the Clean Cities program in the Energy Efficiency Program within DOE.	(10 minutes)
176. McKinley (WV), Veasey (TX), Mooney (WV), Gonzalez, Vicente (TX), Lamb (PA), Fletcher (TX), Miller (WV)	#2 Transfers \$5 million from the Department of Energy's "Departmental Administration" account to the "Fossil Energy Research and Development" account.	(10 minutes)
177. McNerney (CA)	#48 Increases and decreases by \$15,000,000 the Department of Energy's Energy Information Administration (EIA) budget for the purposes of emphasizing more robust	(10 minutes)

	analysis and data collection from EIA's commercial and residential surveys, specifically with regards to water consumption, as well as to make publicly available water consumption data for commercial buildings, broken out by principal building activity and region.	
178. Morelle (NY)	#12 Decreases and increases funding by \$1,000,000 for the Inertial Confinement Fusion program within Weapons Activities to emphasize the need to increase funding for cyber infrastructure and remote user access to laser facilities.	(10 minutes)
179. Omar (MN), Jayapal (WA)	#34 Clarifies that the Department of Energy's Section 1703 Loan Program is providing loans only to clean energy projects that avoid, reduce, or sequester air pollutants or human-caused emissions of greenhouse gases.	(10 minutes)
180. Perry (PA)	#57 (LATE) (REVISED) Increases by \$1,000,000 funding for the EERE's Water Power Technologies Office, offset by a decrease in Departmental Administration.	(10 minutes)
181. Perry (PA)	#60 (LATE) Strikes Title VI of Division C, Additional Infrastructure Investments.	(10 minutes)
182. Scalise (LA), Gosar (AZ), Stauber (MN), McKinley (WV)	#54 (LATE) Increases and decreases funds within the Office of Energy Efficiency and Renewable Energy by \$1 million to emphasize the need to prevent the purchasing of rare earth minerals from Chinese owned mines that employ child labor.	(10 minutes)
183. Scott, Bobby (VA), Beyer (VA), Wittman (VA), Luria (VA)	#4 (REVISED) Increases and decreases by \$7 million to highlight the need to support the work of the Office of Science and the timely expansion and renovation of the Continuous Electron Beam Accelerator Facility at Jefferson Lab.	(10 minutes)
184. Scott, Bobby (VA), Wittman (VA), McEachin (VA), Wexton (VA), Spanberger	#55 (LATE) Increases and decreases the U.S. Army Corps of Engineer Construction account by \$78.3 million to underscore the need for increased funding for coastal construction projects. And to highlight the critical role the Army Corps of Engineer	(10 minutes)

(VA), Luria (VA)	projects play in supporting military installations, commerce, and transportation.	
185. Slotkin (MI)	#52 Decreases and increases by \$205,000,000 to emphasize that a sufficient amount of this funding be used to conduct a complete and thorough Environmental Impact Statement/Environmental Assessment on Enbridge's proposed tunnel to encase the Line 5 pipeline in the Straits of Mackinaw.	(10 minutes)
186. Stanton (AZ), Veasey (TX)	#16 (REVISED) Provides an additional \$250 million for Energy Efficiency and Conservation Block Grants.	(10 minutes)
187. Swalwell (CA)	#6 (REVISED) Increases and decreases by \$10 million to emphasize support for the Department of Energy's Hazardous Waste Operations and Emergency Response (HAZWOPER) worker training program, which provides site-specific, quality training for workers to identify hazardous situations and to take appropriate actions to protect themselves and their colleagues, the public, and the environment.	(10 minutes)
188. Turner (OH)	#31 Strikes Section 309, Division C, which prohibits the Nuclear Weapons Council from coordinating and approving the budget proposals of the National Nuclear Security Administration as required in 10 USC 179.	(10 minutes)
189. Velázquez (NY)	#53 Prevents funds from this act from being used to reject grant applications due to the use of the term "sea level rise".	(10 minutes)
190. Wagner (MO), Clay (MO)	#8 (REVISED) Increases and decreases the U.S. Army Corps of Engineers Construction account by \$20,000,000 to underscore the need to restore funding to the FY20 level (\$30,000,000) for authorized reimbursements for projects with executed project partnership agreements that have completed construction or where non-federal sponsors intend to use the funds for additional water resource development activities.	(10 minutes)
191. Weber (TX)	#40 (REVISED) Increases and decreases the Department of Energy's Office of Nuclear Energy by \$235,000,000 to highlight the importance of the Versatile Test Reactor	(10 minutes)

	Project	
192. Welch (VT)	#22 Increases and decreases by \$7 million the Army Corps of Engineers general construction account to emphasize the need for the Army Corps to designate funding to the 542 Program in their 2021 work plan.	(10 minutes)
193. Young (AK)	#59 (LATE) (REVISED) Increases and decreases \$150 million to the Water Power Technologies Office for grants to deploy hydropower, pumped storage and marine energy projects and related transmission infrastructure in low-income, economically distressed, underserved, or rural communities, for which no cost share is required.	(10 minutes)

Division D – Financial Services and General Government

(summaries derived from information provided by sponsors)

Sponsor	# Description	Debate Time
194. Castro (TX)	#42 Requires that when developing its list of recommendations for removal to the President, in addition to federal assets that honor the Confederacy and other historical figures that are not consistent with values of diversity, equity, and inclusion, the Commission must consider and evaluate federal assets that do not represent the demographic diversity and history of the community where the asset is located.	(10 minutes)
195. Cisneros (CA), Larsen, Rick (WA), Balderson (OH), Young (AK)	#1 (REVISED) Increases funding for Small Business Development Centers by \$5 million.	(10 minutes)
196. Cohen (TN)	#14 Prohibits the use of funds to enter into any new contract, grant, or cooperative agreement with any Trump related business listed in the President Trump’s Annual Financial Disclosure Report submitted to the	(10 minutes)

Office of Government Ethics as well as certain Trump related properties listed on the Trump Organization's website. The specific business are listed in the amendment.
