

PA-07 COVID-19 Testing Sites

Lehigh Valley Health Network COVID-19 Assess and Test Locations

Instructions (apply to each location)

“We have opened LVHN COVID-19 Assess and Test locations throughout the region to minimize our community’s exposure to COVID-19. At these locations, we will screen, assess, test and keep you safe. You must receive guidance via the MyLVHN Nurse Information line at [1-888-402-LVHN](tel:1-888-402-LVHN) or complete an [LVHN Video Visit](#) by [downloading the MyLVHN app](#) to be pre-screened and possibly tested. The test detects active disease and cannot determine if you have been exposed. It is important to note that tests are reserved for those who need them most.”

“If you do not have insurance, you will receive a bill but you won’t be required to pay.”

- Address: 528 Delaware Avenue, Palmerton, PA 18071
- Phone: (610) 900-4950
- Hours: All Week: 8AM-8PM

St. Luke's Care Now – COVID-19 Testing Locations

Instructions (specifics vary by each location)

“St. Luke’s activated centralized COVID-19 testing stations the week of 3/16/2020. The centralized testing stations are being offered to minimize our community’s exposure to COVID-19. By offering drive-through testing, we are reducing your risk of exposure to coronavirus in a busy waiting area, as well as protecting others from exposure if the patient does have COVID-19.”

“The centralized sites are not for use by individuals who simply want to be tested and have not met the testing requirements. We are only testing patients that are symptomatic at this time and have been directed to the testing stations after being triaged and screened positive by their primary care doctor or the coronavirus hotline team. These locations continue to be evaluated on a daily basis. At the moment, turnaround time for testing results is 3 to 5 days. No STAT is available.”

| St. Luke’s Care Now – Macungie

- Address: 2550 PA-100, Macungie, PA 18062
- Phone: (484) 822-5100
