**Re: Community Project Funding Request for Manor College Refugee,
Immigrant and First Generation College Student Support**

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Manor College Refugee, Immigrant and First Generation College Student Support in fiscal year 2023 – specifically, \$1,275,667 in funding through the Labor and Health and Human Services Subcommittee, Post-Secondary Education Account.

The entity to receive funding for this project is Manor College, located at 700 Fox Chase Road, Jenkintown, PA 19046.

The funding would be used to support students who attend Manor College with advising, tuition, housing, and other essential needs as they make their way through their two to four years here at Manor College. As the United States gets ready to receive a record number of refugees from Ukraine and other conflicts worldwide, Manor College seeks to prepare for the continuing education needs of these populations. Many of these students will also reach our communities as immigrants, and many throughout the region are the first generation in their families to attend college. Manor College is America's only accredited nonprofit institution of higher education founded by Ukrainians.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Madeleine Dean
Member of Congress
