April 27, 2022

Dear Chair DeLauro and Ranking Member Granger:

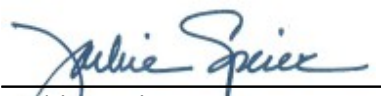

I am requesting funding for San Mateo County Health “EHR 2.0”- Enterprise-wide Electronic Health Record in fiscal year 2023.

The entity to receive funding for this project is County of San Mateo, located at 400 County Center, Redwood City, CA 94063-1662.

The funding would be used for implementation of a modern electronic health record system for several thousand care providers and approximately 100,000 low-income and publicly insured residents to replace antiquated information systems, which are no longer supported after 2024.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jackie Speier
Member of Congress
