Dear Chair DeLauro and Ranking Member Granger:

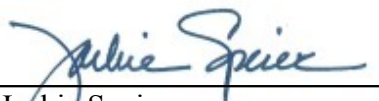

I am requesting funding for the new South San Francisco Library in fiscal year 2023.

The entity to receive funding for this project is the City of South San Francisco at 1010 El Camino Real, South San Francisco, CA 94080.

This rebuild project will support key Library and Parks and Recreation programs for all, including health and wellness, science, technology, engineering, art, and math (STEAM), learning, critical life-skills, socialization and enrichment for no-cost or very low cost to nearby underserved communities of color. This project aims to support populations in need, and improve challenging conditions of all residents regardless of age, ability, cultural background and other life challenges.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jackie Speier
Member of Congress
