Congress of the United States
House of Representatives
Washington, DC 20515

April 27, 2022

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the medical clinic portion of the Kent Medical Clinic and Affordable Housing Mixed Use Facility in fiscal year 2023. The entity to receive funding for this project is Sea Mar Community Health Centers, located in Seattle, Washington.

This funding will support construction of the medical clinic portion of Sea Mar's new Kent clinic and affordable housing development. This project will allow Sea Mar increase access to healthcare, culturally sensitive care, as well as affordable and equitable medical and housing services to underserved populations including those of low income, the uninsured or publicly insured, and disenfranchised minority groups

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Adam Smith". The signature is written in a cursive style with a horizontal line underneath it.
