Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$525,000 for the Cities of Belmont and San Bruno Wildfire Prevention Project in fiscal year 2023.

The entity to receive funding for this project is City of Belmont, located at 1 Twin Pines Lane, Belmont CA, 94002.

The funding would be used for targeted hazardous fuel reduction, including removal of invasive species, to establish defensible space and improve access for fire resource response in selected locations in both cities. The primary objective is to reduce the scale and severity of wildfire around homes, schools and other infrastructure.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
