Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Filoli Wildfire Mitigation Project in fiscal year 2023.

The entity to receive funding for this project is Filoli Center, located at 86 Cañada Road, Woodside, CA 94062.

The funding would be used for a Natural Resources Management Plan to improve fire resilience and mitigate fire risk through vegetation management that reduces dead trees and ladder fuels and trail maintenance.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
