Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the San Bruno Multi-Benefit Regional Stormwater Capture Project in fiscal year 2023.

The entity to receive funding for this project is City/County Association of Governments of San Mateo County, located at 555 County Center, Redwood City, CA 94063.

The funding would be used to advance construction of a subsurface stormwater retention system to alleviate flooding along 7th Avenue and address undersized storm drains downstream of Crestmoor Canyon in the vicinity of I-380 between I-280 and CA-82 (El Camino Real) in San Bruno, advancing a regional collaborative approach to sustainable stormwater management..

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---

Member of Congress
