**Re: Community Project Funding Request for Cross County Trail (CCT) Bridge
& Trail**

Dear Chair Price and Ranking Member Diaz-Blart:

I am requesting \$2,500,000 in funding for Cross County Trail (CCT) Bridge & Trail in fiscal year 2023 through the Transportation Housing and Urban Development Subcommittee and the Highways and Infrastructure Programs.

The entity to receive funding for this project is County of Montgomery, PA, located at 425 Swede Street, Norristown, PA 19404.

The funding would be used for design and construction of a bridge to carry the Cross County Trail (CCT) over Germantown Pike (a multi-lane state road) in Plymouth Township, and design and construction of the 2-mile CCT segment from the Germantown Pike bridge east to its planned connection point at Joshua Rd. in Whitmarsh Township where it will tie into the soon-to-be constructed CCT through Erdenheim Farm. Once completed, these projects will provide a key alternative means of transportation for commuters and enhanced access to the broader county trail network for all trail users.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Madeleine Dean
Member of Congress
