Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Barton Hose Company No 1. Inc. in the Fiscal Year 2023 Labor, Health and Human Services, Education, and Related Agencies Appropriations bill. The entity to receive funding for this project is Barton Hose Company No. 1, located at 19200 Legislative Road, Barton MD 21521.

If awarded, the funding will be used for the construction of a new garage, remodeling upgrades to the existing fire station, and a refurbishment of capital equipment, including their frontline engine. The construction will include bathrooms for decontamination, living quarters, office space, storage space, and a maintenance facility, all which will allow the company to continue to provide lifesaving services and better serve the community.

I certify that neither I nor any member of my immediate family has any financial interests in this project.

Sincerely,
