Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Fisher Avenue Streetscape Project in the Fiscal Year 2022 Transportation, and Housing and Urban Development, and Related Agencies Appropriations bill. The entity to receive funding for this project is the Town of Poolesville, Maryland located at 19721 Beall St, Poolesville, MD 20837.

If awarded, the funding will be used to construct streetscape infrastructure improvements on Fisher Avenue, which will include an increased focus on ADA accessibility and overall pedestrian safety and connectivity. The project will provide traffic calming measures for improved safety and traffic flow, and will include pedestrian-friendly street lighting and sidewalks, which will help to attract and retain a quality business district. Ultimately, the Streetscape Project will dramatically enhance the Town's infrastructure and lead to a revitalized downtown, increased business activity, and additional employment opportunities.

I certify that neither I nor any member of my immediate family has any financial interests in this project.

Sincerely,

David Trone
Member of Congress
