Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Frostburg Childcare Center in the Fiscal Year 2023 Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations bill. The entity to receive funding for this project is the City of Frostburg, Maryland, located at 37 S Broadway, Frostburg, MD 21532.

If awarded, the funding will be used for the construction of the Frostburg Childcare Center within the Frostburg Community Park. The City has partnered with the local HRDC Headstart program in order to serve low income families and support those with younger children aged 0-3 (in addition to all ages). Recent community surveys conducted by the City and HRDC identified that the lack of childcare for both low income families and younger-aged children was a significant concern. The construction of this Childcare center would fill an urgent need in the City and provide crucial support for Frostburg and the surrounding communities in Allegany County, which have a documented lack of childcare options.

I certify that neither I nor any member of my immediate family has any financial interests in this project.

Sincerely,

David Trone
Member of Congress
