Dear Chair DeLauro and Ranking Member Granger:

“I am requesting funding for the Santa Ana River Enhanced Stormwater Recharge Project Phase 1B.

The entity to receive funding for this project is San Bernardino Valley Municipal Water District, located at 380 East Vanderbilt Way, San Bernardino, CA 92408.

The funding would be used to improve existing facilities and construct new facilities, which will increase the amount of storm water from the Santa Ana River that can be captured and recharged.

I certify that neither I nor my immediate family has any financial interest in this project.”

Sincerely,
