### MEMBERSHIP RENEWAL

AARP will send you renewal notices before your membership expires. Renewing prior to your membership expiration ensures that everything will continue uninterrupted. For your convenience, you are now able to renew your membership online.

# Q PRIVACY

AARP is committed to maintaining your trust by respecting and protecting your privacy. This Privacy Notice highlights how we collect, use, share, and protect personal data and the choices you have to limit how we share your personal data and communicate with you. Please visit [aarp.org/privacy](https://aarp.org/privacy) to review our full *Privacy Policy*, which contains additional details.

## DATA PROTECTION

We use administrative, technical, and physical security measures designed to protect personal data against accidental, unlawful, or unauthorized destruction, loss, alteration, access, disclosure, or use.

## DATA SHARING

With some exceptions such as those described here, we do not share your personal data with unaffiliated entities (entities that are not owned or controlled by AARP) without your consent. We may share personal data with companies we have selected to provide AARP-branded products or services and/or discounts to AARP members. Some of these providers pay a fee for the right to use our brand and to access our membership list and related data. These fees are used to support our nonprofit mission. These providers are contractually required to treat the personal data AARP provides as confidential, and to use the personal data only to offer, provide, maintain, and analyze the contracted products, services, or discounts to AARP members. Some of these providers may collect personal data about our members through their own interactions with such members and may share some or all of this data with AARP to help us provide more effective and personalized service. These providers' data-collection and sharing practices are governed by their own privacy policies. We may occasionally share personal data with select, unaffiliated nonprofit organizations when we believe such data sharing is in the best interest of our members and nonprofit mission. We may share personal data with vendors and social media networks we hire to provide services or perform business functions on our behalf, but these vendors are contractually obligated to use such personal data only to provide the services AARP has requested they perform on our behalf. Finally, we may share personal data pursuant to legal requirements as necessary to protect ourselves, our members, or others, or in connection with a business transfer or substantial transaction such as a sale, merger, consolidation, or bankruptcy.

## DATA COLLECTION & USE

We collect and use personal data from or about you to help us support our nonprofit mission and serve our membership, including to communicate with you through various channels; deliver the information, programs, and products/services you request; and evaluate the effectiveness of our programs and membership offerings. When you apply for membership, we initially collect basic personal data from you, such as your name, contact information, and date of birth. Throughout your membership, we collect additional personal data, such as information about your participation in AARP activities and member services. We collect this data through your interactions with us offline and through our websites and applications. We may also collect data about you from other sources.

## YOUR CHOICES

We strive to provide you reasonable choices regarding our collection, use, and sharing of your personal data. We provide you access to review and correct your personal data, provide you options regarding how we share personal data with the providers of AARP-branded products or services and/or discounts and unaffiliated nonprofit organizations, and give you options for how we communicate with you, among other choices.

You may contact us at any time regarding these choices as follows:
