

COST: Lower Costs for All Americans

- Inform and empower consumers
- Improve patient safety and quality
- Use innovative technology efficiently
- Reform the medical liability system
- Reduce premiums by strengthening recovery rights of health plans
- Reduce bureaucratic red tape and burdensome regulations
- Curtail waste, fraud and abuse in federally funded programs

COVERAGE: Insurance for Millions More

- Provide new financial assistance and tax credits to make insurance more affordable
- Market Reform Alternatives: Insurance Market Reform or Association Health Plans
- Remove barriers to allow for new multi-state pooling options
- Support and extend last-resort insurance plans
- Make sure Health Savings Accounts (HSAs) are user friendly and widely available
- Create incentives for young adults to purchase lifetime, portable insurance
- Improve enrollment in existing public programs
- Expand coverage options for low-income entrepreneurs and self-employed individuals

CARE: A Helping Hand Where Needed

- Increase the number of Community Health Centers (CHCs) by providing new funding for systems that serve the uninsured
- Increase access to specialty care within safety net systems
- Make prescription drugs more affordable and available within safety net systems
- Encourage more doctor and provider participation in the safety net system
- Reduce regulatory burdens and enhance the provision of care
