USDA-Rural Development

Form RD 1924-26 (3-94)

COST CERTIFICATION WORKSHEET

Name of Borrower
1. To be used with "Seven Steps to Cost Certification."
2. PRELIMINARY ESTIMATES (PREAPPLICATION):
District Office (State Office, if applicable):
a. \$ proposed project building cost.
Unit costs compare favorably with historic unit costs.
b. Comments to State Office:
State Office:
c. Marshall & Swift building cost estimate for project
d. Comments to District Office: (evaluate D/O comments and add S/O comments)
District Office (State Office, if applicable):
e. The applicant was notified, in writing, of the following issues and concerns specific to cost:
(1)
(2)
(3)

3. FINAL 1924-13 ESTIMATES (APPLICATION):

District Office (State Office, if applicable):	
a. All discrepancies reports to the applicant haveDiscrepancies still remaining	
	to the materials expected to be used in project construction? In costs are missing?
c. Borrower's arithmetic has been recalculated.	
d. Percentages for profit, overhead, and requirements w	vill be calculated as follows:
Proposed \$ Amount	Max % Allowed
Profit: Line 43 \$ Line 42 less line 40 = \$ General Overhead: Line 40 \$ Line 42 less line 40 = \$ General Requirements: Line 39 \$ Line 42 less Lines 39, 40, 41 \$	=% 10% divided by =% 4% divided by
e. Contractor is is not qualified to build f. Comments to State Office:	d project.
State Office:	
g. Line item costs of proposed project:	
Deviate from historic line item costs by the acc	reptable level.
Costs appear excessive compared with historic	line item costs for the following line items:
	
h. Construction contract price: Final construction cost estimate:	
i. Time span between preapplication and application _	·
j. Have final cost estimates (1924-14's) been received to	ore than 1 year between preapplication and application). from all identities of interest? Yes No.

k. Attestation of accounting syst	em is at	ttached								
1. Proposal is is not accepta	ble.									
If not, what additional action needs to b	e taken									
m. The applicant was notified, in writing,	of the fo	ollowin	g issues	s and co	oncerns	s:				
(1)										
(2)										
(3)										
n. Action completed to correct al	oove dis	screpan	cies.							
o. Cost estimates are approved.										
4. PARTIAL PAYMENTS TO CONTRACT	OR:									
District Office (State Office, if applicable): Answer the following questions for EACH pays	mant: (W/NT\								
Answer the following questions for EACH pays	1	2	3	4	5	6	7	8	9	10
a. Has all arithmetic been verified to be accurate?										
b. Has request for payment been concurred by the inspecting architect?										
c. Does the accumulated total for general requirements exceed the final estimate?										
d. Does the accumulated total for overhead exceed the final estimates?										
e. Does the accumulated total for profit exceed the final estimate?										
f. Are there any hard cost line items that were not included in the final estimate?										
g. Is there a change in the contract sum with this payment request?										
h. Does the accumulated total requested equate to the percentage of completion indicated on the last Rural Development Inspection Report?										

5. CHANGE ORDERS:

District Office (S	State Office, if	f applicable)	:
--------------------	------------------	---------------	---

Answer the following questions for EACH Con	tract change	order: (Y/N)			
	1 2	3 4	5 6	7 8	
a. Has all artihmetic been verified to be accurate?					
b. Is the change justified?					
c. Does the change involve a subcontractor or supplier with an identity of interest with the borrower?					
d. Is the cost of the change broken down between hard and soft costs?					
e. If change increases contract sum, has borrower provided additional funds?					
6. COST CERTIFICATION DOCUMENT:					
District and/or State Office:					
 a. Borrower's arithmetic has been restricted. b. Certified line item costs have been Are certified line item hard costs 15% is documentation was provided for the varieties. 	en compared more or less t	han estimated?			Note if
Doc.	(1/1	Doc.		Doc.

	age 6
1. Person doing cost certification is qualified.	
Name of CPA firm.	
m Costs involving all identies of interest were certified.	
n. More than 50% of contract sum was subcontracted to one subcontractor, material supplier, or equipm	ent lessor.
75% or more of contract was subcontracted to one subcontractor, material supplier, or equipment less	or.
If yes to either of above, was contractor or owner-builder paid a profit and/or overhead Yes	No
o. Certification was performed under Government contract. Yes No	
p. Did CPA or borrower disclose any rebates or discounts?	
If yes, in which line items:	
q. Did the CPA issue an unqualified opinion? Yes No 7. FINALPAYMENT TO CONTRACTOR	
District Office (State Office, if applicable):	
a. Borrower's arithmetic has been recalculated.	
b. Evidence that project architect concurs with final pay request?	
c. Is all construction work completed? Yes No	
If not, what work remains?	
How much is being retained from contractor for this work? \$	
d. Have releases of claimants or other similar protection from liens been obtained? Yes N	0
e All work is complete and final payment to contractor is approved
