Paperwork Reduction Act Statement: The information collected on this form documents the progress of construction work on a project funded with a Federal grant under the AIP in a form prescribed by the Secretary of Transportation.

Title 49, United States Code (U.S.C.), Section 47121, requires cost and progress reporting by the sponsor. The burden associated with sponsor certification of qualified engineering and construction specifications, compliance with wage regulations, and periodic performance reporting is estimated to be 1/2 hour. Sponsors benefit by receiving proceeds of the grant based on documented performance. No assurance of confidentiality can be given since these become public records. Please note that an agency may conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number, which is 2120-0569 for this collection.
