#### Instructions for Completing FAA Form 8120-11, Suspected Unapproved Parts Notification

- 1. Record the date the suspect part was discovered.
- 2. Provide the part name (i.e., nut, bolt, blade) or description of the suspected unapproved part.
- 3. Provide the part number or identification number on the part.
- 4. Provide the serial number of the part, if applicable.
- 5. Provide the quantity of suspect parts.
- 6. Provide the assembly name and assembly number (where the part was or could be installed).

Example - Part Name: BOLT

Part Number: PN 12345

Assembly Name: Main Landing Gear Assembly Number: PN PG12389

## Note: Additional part numbers may be recorded on the continuation sheet on page 3 or a blank sheet of paper with the following column headers:

Part Name - Part Number - Part Serial Number - Quantity - Assembly Name - Assembly Number

- 7. Identify what type of aircraft the part was (or could be) installed on.
- 8. Provide the complete name and address of the company or person(s) who last supplied or repaired the suspect part. Please do not provide a PO Box address unless this is all you have. Check the appropriate box to designate the type of company. Please provide the certificate number in the space provided, if known.
- 9. Provide a brief description of the suspect part (discoloration, suspect marking, different material, etc.) and provide a narrative stating why you feel the part is not approved. Provide as much detail as necessary to enable an inspector to determine the status of the part.
- 10. Provide the complete name and address of company (or person) where the suspect part was found. Check the appropriate block to reflect the affiliation of the person/company who discovered the part.
- 11. Record the date the Form 8120-11 is being completed and submitted.
- 12. Provide the name, address and phone number of the person who is reporting the suspect part. This information is necessary in case the FAA needs to get in touch with the reporter for more information.
- 13. If you want your name to remain confidential, please check this block.
- 14. If you do not wish to receive a letter acknowledging receipt of the Form 8120-11 by the FAA, please check this block.
- 15. If you have provided additional information, photos, parts listing, etc., please check this block.

#### **Privacy Act and Paperwork Reduction Act Statement:**

An agency may not conduct or sponsor, and a person is not required to respond, to a collection of information unless it displays a currently valid OMB control number. The OMB control number is 2120-0552. This information is collected by the FAA's Suspected Unapproved Parts (SUP) Program, under the authority of Title 49 USC, Section 44701. The information will be used to support SUP investigations and other summary management reports. Submission of this information is voluntary, with questions limited to reduce any burden on the reporter. Completion of this form is estimated to take less than 9 minutes. Information collected is not available elsewhere and is vitally important to FAA's SUP program and its commitment to remove the potential threat posed by unapproved parts from the aviation system. SUP information is routinely shared with law enforcement agencies for use in civil and criminal investigations. Information developed from this form is covered under the Privacy Act system of records DOT/FAA 852 and the routine uses of that system will apply.
