U.S. Geological Survey Earthquake Maps

1. Use this price list to order earthquake maps from the U.S. Geological Survey (USGS).

To contact commercial map dealers directly for pricing and ordering information, refer to the yellow pages in your local telephone directory.

2. Domestic Orders. Payment (check, money order, purchase order, any major credit card, or Government account) must accompany order. Please include a \$5 handling fee. Make

all drafts payable to the Department of the Interior-USGS. **Do not send cash.** Delivery will be provided by a Government-selected courier. If you request a specific courier service, please provide your courier account number.

3. International Orders. All international orders must be prepaid. Payment for orders shipped outside the United States may be made with any major credit card or international money order drawn on U.S. funds. Customers are responsible for shipping costs, customs fees, and any other

charges associated with international shipment. Please designate a preferred carrier (FedEx, DHL, or UPS) and provide your carrier account number and telephone number for shipping. A handling fee of \$5 will be charged for each international order.

4. For information or ordering assistance, call 1-888-ASK-USGS.
