For the purposes of this Agreement, "Covered Persons" includes: a. all owners, officers, directors, associates, and employees of D'Angelo; and b. all contractors, agents, and other persons who provide patient care items or services or who perform billing or coding functions on behalf of D'Angelo. In addition, the Compliance Contact is responsible for responding to questions and concerns from Covered Persons and the OIG regarding compliance with the Agreement obligations. The name and phone number of the Compliance Contact shall be included in the Implementation Report. In the event a new Compliance Contact is appointed during the term of this Agreement, D'Angelo shall notify the OIG, in writing, within 15 days of such a change.

The training shall be conducted by individuals with expertise in the relevant subject areas, e.g., preparation or submission of claims to Federal health care programs for the types of services provided by D'Angelo and may be received from a variety of sources (i.e., CME classes, hospitals, associations, carriers).

New Covered Persons involved in the delivery of patient care items or services and/or in the preparation or submission of claims for reimbursement from any Federal health care program shall receive the training described above within 30 days after becoming a Covered Person or within 90 days of the Effective Date of this Agreement, whichever is later. D'Angelo shall retain the certifications, along with the training course materials. The training course materials shall be provided in the Annual Report.

**E. Review Procedures.**

*1. General Description.*

a. Retention of Independent Review Organization. Within 90 days of the Effective Date, D'Angelo shall retain an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter "Independent Review Organization" or "IRO"), to perform reviews to assist D'Angelo in assessing and evaluating its billing and coding practices and certain compliance obligations pursuant to this Agreement and the Settlement Agreement. Each IRO retained by D'Angelo shall have expertise in the billing, coding, reporting, and other requirements of the particular section of the health care industry pertaining to this Agreement and in the general requirements of the Federal health care program(s) from which D'Angelo seeks reimbursement. Each IRO shall assess, along with D'Angelo, whether it can perform the IRO review in a professionally independent fashion taking into account any other business relationships or other engagements that may exist. The IRO(s) review shall address and analyze D'Angelo's billing and coding to the Federal health care programs ("Claims Review").

*Clement D'Angelo, D.P.M.,  
d/b/a Southampton Podiatry  
Integrity Agreement*

b. Frequency of Claims Review. The Claims Review shall be performed annually and shall cover each of the Reporting Periods. The IRO(s) shall perform all components of each annual Claims Review.

c. Retention of Records. The IRO and D'Angelo shall retain and make available to the OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and D'Angelo) related to the reviews.

2. *Claims Review*. The Claims Review shall include a Discovery Sample and, if necessary, a Full Sample. The applicable definitions, procedures, and reporting requirements are outlined in Appendix A to this Agreement, which is incorporated by reference.

a. Discovery Sample. The IRO shall randomly select and review a sample of 50 Medicare Paid Claims submitted by or on behalf of D'Angelo. The Paid Claims shall be reviewed based on the supporting documentation available at D'Angelo or under D'Angelo's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted and reimbursed.

i. If the Error Rate (as defined in Appendix A) for the Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The threshold listed above does not imply that this is an acceptable error rate. Accordingly, D'Angelo should, as appropriate, further analyze any errors identified in the Discovery Sample. D'Angelo recognizes that the OIG or other HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample.)

*Clement D'Angelo, D.P.M.,  
d/b/a Southampton Podiatry  
Integrity Agreement*

ii. If the Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall perform a Full Sample and a Systems Review, as described below.

b. Full Sample. If necessary, as determined by procedures set forth in Section III.E.2.a, the IRO shall perform an additional sample of Paid Claims using commonly accepted sampling methods and in accordance with Appendix A. The Full Sample should be designed to (1) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate and (2) conform with the Centers for Medicare and Medicaid Services' statistical sampling for overpayment estimation guidelines. The Paid Claims shall be reviewed based on supporting documentation available at D'Angelo or under D'Angelo's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, D'Angelo may use the Items sampled as part of the Discovery Sample, and the corresponding findings for those 50 Items, as part of its Full Sample. The OIG, in its full discretion, may refer the findings of the Full Sample (and any related workpapers) received from D'Angelo to the appropriate Federal health care program payor, including the Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

c. Systems Review. If D'Angelo's Discovery Sample identifies an Error Rate of 5% or greater, D'Angelo's IRO shall also conduct a Systems Review. Specifically, for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO should perform a "walk through" of the system(s) and process(es), that generated the claim to identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide to D'Angelo observations and recommendations on

*Clement D'Angelo, D.P.M.,  
d/b/a Southampton Podiatry  
Integrity Agreement*

suggested improvements to the system(s) and the process(es) that generated the claim.

d. Repayment of Identified Overpayments. In accordance with Section III.F.1 of the Agreement, D'Angelo shall repay within 30 days any Overpayment(s) identified in the Discovery Sample or the Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. D'Angelo shall make available to the OIG any and all documentation that reflects the refund of the Overpayment(s) to the payor and the associated documentation.

3. *Claims Review Report*. The IRO shall prepare a report based upon the Claims Review performed (the "Claims Review Report"). Information to be included in the Claims Review Report is detailed in Appendix A.

4. *Validation Review*. In the event the OIG has reason to believe that: (a) D'Angelo's Claims Review fails to conform to the requirements of this Agreement; or (b) the IRO's findings or Claims Review results are inaccurate, the OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review complied with the requirements of the Agreement and/or the findings or Claims Review results are inaccurate ("Validation Review"). D'Angelo shall pay for the reasonable cost of any such review performed by the OIG or any of its designated agents so long as it is initiated before one year after D'Angelo's final submission (as described in Section II) is received by the OIG.

Prior to initiating a Validation Review, the OIG shall notify D'Angelo of its intent to do so and provide a written explanation of why the OIG believes such a review is necessary. To resolve any concerns raised by the OIG, D'Angelo may request a meeting with the OIG to discuss the results of any Claims Review submissions or findings; present any additional or relevant information to clarify the results of the Claims Review to correct the inaccuracy of the Claims Review; and/or propose alternatives to the proposed Validation Review. D'Angelo agrees to provide any additional information as may be requested by the OIG under this Section in an expedited manner. The OIG will attempt in good faith to resolve any Claims Review with D'Angelo prior to conducting a

d/b/a Southampton Podiatry  
Integrity Agreement*

Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of the OIG.

5. *Independence Certification.* The IRO shall include in its report(s) to D'Angelo a certification or sworn affidavit that it has evaluated its professional independence with regard to the Claims Review and that it has concluded that it was, in fact, independent.

**F. Reporting of Overpayments and Material Deficiencies**

1. *Overpayments*

a. *Definition of Overpayments.* For purposes of this Agreement, an "Overpayment" shall mean the amount of money D'Angelo has received in excess of the amount due and payable under any Federal health care program requirements.

b. *Reporting of Overpayments.* If, at any time, D'Angelo identifies or learns of any Overpayment, D'Angelo shall notify the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days of identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. Also, within 30 days of identification of the Overpayment, D'Angelo shall repay the Overpayment to the appropriate payor to the extent such Overpayment has been quantified. If not yet quantified, within 30 days of identification, D'Angelo shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor's policies, and for Medicare contractors, shall include the information contained on the Overpayment Refund Form, provided as Appendix B to this Agreement. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted

## 2. *Material Deficiencies.*

*a. Definition of Material Deficiency.* For purposes of this Agreement, a “Material Deficiency” means anything that involves:

- (i) a substantial Overpayment; or
- (ii) a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized.

A Material Deficiency may be the result of an isolated event or a series of occurrences.

*b. Reporting of Material Deficiencies.* If D’Angelo determines, by any means, that there is a Material Deficiency, D’Angelo shall notify the OIG, in writing, within 30 days of making the determination that the Material Deficiency exists. The report to the OIG shall include the following information:

(i) If the Material Deficiency results in an Overpayment, the report to the OIG shall be made at the same time as the notification to the payor required in Section III.F.1, and shall include all of the information on the Overpayment Refund Form, as well as:

(A) the payor’s name, address, and contact person to whom the overpayment was sent; and

(iv) any further steps D'Angelo plans to take to address the Material Deficiency and prevent it from recurring.

**G. Notification of Government Investigations or Legal Proceedings**

Within 30 days of discovery, D'Angelo shall notify the OIG, in writing, of any ongoing investigation known to D'Angelo or legal proceeding conducted or brought by a governmental entity or its agents involving an allegation that D'Angelo has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. - e. retain an IRO within the timeframe required in Section III.E.1, or to submit the IRO's annual Claims Review Report and Process Review Report as required in Section III.E and Appendix A; or
- f. meet any of the deadlines for the submission of the Implementation Report or the Annual Reports to OIG.

2. A Stipulated Penalty of \$750 (which shall begin to accrue on the date the failure to comply began) for each day D'Angelo employs or contracts with an Ineligible Person and that person: (i) has responsibility for, or involvement with, D'Angelo's business operations related to the Federal health care programs; or (ii) is in a position for which the person's salary or the items or services rendered, ordered, or prescribed by the person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds (the Stipulated Penalty described in this paragraph shall not be demanded for any time period during which D'Angelo can demonstrate that D'Angelo did not discover the person's exclusion or other ineligibility after making a reasonable inquiry (as described in Section III.C.5) as to the status of the person).

3. A Stipulated Penalty of \$750 for each day D'Angelo fails to grant access to the information or documentation as required in Section VII of this Agreement. (This Stipulated Penalty shall begin to accrue on the date D'Angelo fails to grant access.)

4. A Stipulated Penalty of \$750 for each day D'Angelo fails to comply fully and adequately with any obligation of this Agreement. In its notice to D'Angelo, the OIG shall state the specific grounds for its determination that D'Angelo has failed to comply fully and adequately with the Agreement obligation(s) at issue and steps the D'Angelo shall take to comply with the Agreement. (This Stipulated Penalty shall begin to accrue 10 days after the date D'Angelo receives notice from the OIG of the failure to comply.) A Stipulated Penalty as described in this paragraph shall not be demanded for any violation for which the OIG has sought a Stipulated Penalty under paragraphs 1-3 of this Section.

## **B. Timely Written Requests for Extensions**

D'Angelo may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this Agreement. Notwithstanding any other provision in this Section, if the OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after D'Angelo fails to meet the revised deadline set by the OIG. Notwithstanding any other provision in this Section, if the OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after D'Angelo receives the OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by the OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

## **C. Payment of Stipulated Penalties.**

1. *Demand Letter.* Upon a finding that D'Angelo has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, the OIG shall notify D'Angelo of: (a) D'Angelo's failure to comply; and (b) the OIG's exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is hereinafter referred to as the "Demand Letter").

2. *Response to Demand Letter.* Within 10 days of the receipt of the Demand Letter, D'Angelo shall either: (a) cure the breach to the OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) send in writing to the OIG a request for a hearing before an HHS administrative law judge ("ALJ") to dispute the OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event D'Angelo elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until D'Angelo cures, to the OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two

manners within the allowed time period shall be considered a material breach of this Agreement and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by certified or cashier's check, payable to: "Secretary of the Department of Health and Human Services," and submitted to the OIG at the address set forth in Section VI.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for the OIG's decision that D'Angelo has materially breached this Agreement, which decision shall be made at the OIG's discretion and shall be governed by the provisions in Section X.D, below.

#### **D. Exclusion for Material Breach of this Agreement**

1. *Definition of Material Breach.* A material breach of this Agreement means:

a. a failure by D'Angelo to report a Material Deficiency, take corrective action and make the appropriate refunds, as required in Section III.F;

b. a repeated or flagrant violation of the obligations under this Agreement; including, but not limited to, the obligations addressed in Section X.A;

c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

*Clement D'Angelo, D.P.M.,  
d/b/a Southampton Podiatry  
Integrity Agreement*

d. a failure to retain and use an Independent Review Organization in accordance with Section III.E.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this Agreement by D'Angelo constitutes an independent basis for D'Angelo's exclusion from participation in the Federal health care programs. Upon a determination by the OIG that D'Angelo has materially breached this Agreement and that exclusion shall be imposed, the OIG shall notify D'Angelo of: (a) D'Angelo's material breach; and (b) the OIG's intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. *Opportunity to Cure.* D'Angelo shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to the OIG's satisfaction that:

- a. D'Angelo is in compliance with the obligations of the Agreement cited by the OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) D'Angelo has begun to take action to cure the material breach; (ii) D'Angelo is pursuing such action with due diligence; and (iii) D'Angelo has provided to the OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If at the conclusion of the 30-day period, D'Angelo fails to satisfy the requirements of Section X.D.3, the OIG may exclude D'Angelo from participation in the Federal health care programs. The OIG shall notify D'Angelo in writing of its determination to exclude D'Angelo (this letter shall be referred to

*Clement D'Angelo, D.P.M.,  
d/b/a Southampton Podiatry

hereinafter as the “Exclusion Letter”). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and non-procurement programs. Reinstatement to program participation is not automatic. If at the end of the period of exclusion, D’Angelo wishes to apply for reinstatement, D’Angelo shall submit a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

### **E. Dispute Resolution**

1. *Review Rights.* Upon the OIG’s delivery to D’Angelo of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this Agreement, D’Angelo shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this Agreement. Specifically, the OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. §§ 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days of the receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days of receipt of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this Agreement shall be: (a) whether D’Angelo was in full and timely compliance with the obligations of this Agreement for which the OIG demands payment; and (b) the period of noncompliance. D’Angelo shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. The OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with the OIG with regard to a finding of a breach of this Agreement and orders D’Angelo to pay Stipulated

*Clement D’Angelo, D.P.M.,  
d/b/a Southampton Podiatry  
Integrity Agreement*

Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless D'Angelo requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of the OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this Agreement shall be:

- a. whether D'Angelo was in material breach of this Agreement;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30 day period, but that:
  - (i) D'Angelo had begun to take action to cure the material breach within that period;
  - (ii) D'Angelo has pursued and is pursuing such action with due diligence; and
  - (iii) D'Angelo provided to the OIG within that period a reasonable timetable for curing the material breach and D'Angelo has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to the OIG, or, if the ALJ rules for D'Angelo, only after a DAB

*Clement D'Angelo, D.P.M.,  
d/b/a Southampton Podiatry  
Integrity Agreement*

decision in favor of the OIG. D'Angelo's election of its contractual right to appeal to the DAB shall not abrogate the OIG's authority to exclude D'Angelo upon the issuance of an ALJ's decision in favor of the OIG. If the ALJ sustains the determination of the OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that D'Angelo may request review of the ALJ decision by the DAB. If the DAB finds in favor of the OIG after an ALJ decision adverse to the OIG, the exclusion shall take effect 20 days after the DAB decision. D'Angelo shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of D'Angelo, D'Angelo shall be reinstated effective on the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this Agreement agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this Agreement.

#### **XI. EFFECTIVE AND BINDING AGREEMENT**

Consistent with the provisions in the Settlement Agreement pursuant to which this Agreement is entered, and into which this Agreement is incorporated, D'Angelo and the OIG agree as follows:

- A. This Agreement shall be binding on the successors, assigns and transferees of D'Angelo;
- B. This Agreement shall become final and binding on the date the final signature is obtained on the Agreement;
- C. Any modifications to this Agreement shall be made with the prior written consent of the parties to this Agreement;

*Clement D'Angelo, D.P.M.,

- D. If D'Angelo enters into an employment or contractual relationship with another party related to the furnishing of items or services that may be reimbursed by Federal health care programs, D'Angelo shall notify the OIG within 30 days of the date of the establishment of such relationship. Upon receipt of D'Angelo's notification, the OIG may request information regarding the party's compliance program. The OIG may agree to modify the Agreement based on its evaluation of D'Angelo's new business relationship, its role in such relationship, and the party's compliance program;
- E. The OIG may agree to a suspension of D'Angelo's obligations under this Agreement in the event of D'Angelo's cessation of participation in Federal health care programs. If D'Angelo withdraws from participation in Federal health care programs and is relieved from its Agreement obligations by the OIG, D'Angelo shall notify the OIG 30 days in advance of D'Angelo's intent to reapply as a participating provider or supplier with the Federal health care programs. Upon receipt of such notification, the OIG shall evaluate whether the Agreement shall be reactivated or modified; and
- F. The undersigned D'Angelo signatories represent and warrant that they are authorized to execute this Agreement. The undersigned OIG signatory represents that he is signing this Agreement in his official capacity and that he is authorized to execute this Agreement.

## APPENDIX A

### A. Billing Engagement's Claims Review.

1. **Definitions.** For the purposes of the Claims Review, the following definitions shall be used:

- a. Overpayment: The amount of money D'Angelo has received in excess of the amount due and payable under any Federal health care program requirements.
- b. Item: Any discrete unit that can be sampled (e.g., code, line item, beneficiary, patient encounter, etc.).
- c. Paid Claim: A code or line item submitted by D'Angelo and for which D'Angelo has received reimbursement from the Medicare program.
- d. Population: All Items for which D'Angelo has submitted a code or line item and for which D'Angelo has received reimbursement from the Medicare program (i.e., a Paid Claim) during the 12-month period covered by the Claims Review. To be included in the Population, an Item must have resulted in at least one Paid Claim.
- e. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part

*Clement D'Angelo, D.P.M.,  
d/b/a Southampton Podiatry  
Integrity Agreement*

of the Discovery Sample or Full Sample (as applicable) shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Items in the sample.

## 2. Other Requirements.

a. Paid Claims without Supporting Documentation. For the purpose of appraising Items included in the Claims Review, any Paid Claim for which D'Angelo cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by D'Angelo for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

b. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims associated with the Items selected in each first sample (or first sample for each strata, if applicable) shall be used. In other words, it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample.

**B. Claims Review Report.** The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

- iii. Total dollar amount of paid Items included in the sample and the net Overpayment associated with the sample.
- iv. Error Rate in the sample.
- v. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim appraised: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.
