The National Agricultural Library (NAL), <http://www.nal.usda.gov>, the largest agricultural library in the world, has been serving agriculture since 1862. Established by Congress, its mission, stated simply, is "to ensure and enhance access to agricultural information for a better quality of life". NAL's work in collecting, preserving, and making agricultural information available is fundamental to the continued well being and growth of U.S. agriculture, and the development of food supplies for the nation and the world. NAL has three divisions, the Technical Services Division, the Public Services Division and the Information Systems Division and employs approximately 250 federal and contract employees.

The Library is located near the intersection of U.S. Route 1 and Interstate Route 95/495 (Beltway Exit 25-North), Beltsville, Maryland, USA, 15 miles northeast of Washington, DC. NAL offers free employee parking. A courtesy shuttle to the Greenbelt Metro Station and a metro transportation subsidy are available. NAL is located near the George Washington Carver Center and the Beltsville Agricultural Research Center where on-site child care, cafeteria, and other amenities are available. Restaurants and shopping are located in close proximity to NAL. For additional information about the National Agricultural Library, you can access the NAL homepage at www.nal.usda.gov.

Major Duties:

This position is located in the Technical Services Division, Office of the Associate Director in the National Agricultural Library (NAL), Agricultural Research Service (ARS) of the U.S. Department of Agriculture. The Associate Director for Technical Services is responsible for the administration and management of NAL's technical service programs, including: Acquisitions, Serials, Cataloging, and Indexing. The Division, with a combined staff of approximately 80 professional, technical, and clerical employees, selects, acquires, and processes bibliographic materials in all languages, and in various published formats and media in the field of agriculture and related scientific subjects. The Division has primary responsibility for the creation of AGRICOLA (AGRICultural OnLine Access), a bibliographic database of citations to the agricultural literature and the NAL Agricultural Thesaurus (NALT), an authoritative source for indexing materials and aiding retrieval in agricultural information systems.

At the full performance level:

- Participates with the Director, NAL, and other key NAL and USDA officials in establishing long-range and current policies, programs, plans, and budgets of NAL.
- Responsible for the budget, planning, development, and execution of Division policies and programs and their coordination with other programs and organizational units in NAL.
- Continually reviews and evaluates program operations and determines what actions are necessary for the accomplishment of the Library's goals and objectives.
- Acts as liaison to national and international agricultural organizations in order to facilitate access to agricultural information services and minimize duplication.
- Works with land-grant college and university libraries in developing programs of mutual interest.

Qualifications Required: Your education and experience will be evaluated against all qualification requirements (basic and any additional requirements) listed below.

Basic Requirements

I. BASIC REQUIREMENT: (Parts I through II):

Basic Requirements for Librarians: All librarians in the Federal competitive civil service must meet the requirements for professional education in library science or possess equivalent experience as shown in A or B as follows.

A. Completion of 1 full academic year of graduate study in library science in an accredited college or university, in addition to completion of all work required for a bachelor's degree; OR

B. A total of at least 5 years of a combination of college-level education, training, and experience. To qualify on this basis, the applicant must establish conclusively that the education, training, and experience provided a knowledge and understanding of the theories, principles, and techniques of professional librarianship; a knowledge of literature resources; and the knowledge and abilities essential for providing effective library and information sources.

NOTE: APPLICANTS MUST SUBMIT COPIES OF TRANSCRIPTS TO VERIFY EDUCATION

II. SPECIALIZED EXPERIENCE: In addition to meeting the BASIC REQUIREMENTS above, applicants must possess one year of specialized experience related to the work of the position and that equipped the applicant with the knowledge, skills and abilities (KSAs) to perform the duties of the position. To be creditable for this position, specialized experience must have been equivalent to the GS-13 to qualify at the GS-14 level and specialized experience must have been equivalent to the GS-14 to qualify at the GS-15 level in the Federal service and have equipped the applicant with the following specific knowledge, skills, and/or abilities.

This position has a positive education requirement. You must provide a copy of your academic transcripts OR a list of college courses with credit hours, dates completed, and grades received to verify education when applying for this position. If this information is not provided, your education may not be appropriately evaluated, and you may lose consideration for this position. If you are selected for this position, you will have to provide an official copy of your transcripts prior to entering on duty.

Time-In-Grade Restrictions apply for all candidates considered under Merit Promotion/Alternative Merit Promotion.

Specialized Experience - experience which has equipped you with the following Knowledge, Skills and Abilities - 'KSAs' required to perform the duties of this position:

Specialized Experience:

1. Professional knowledge of the theories, principles and techniques of research librarianship with concentration on library technical services functions relating to comprehensive collections. These functions include collection development, selection, acquisitions, cataloging, indexing, and preservation.
2. Ability to plan and manage integrated electronic library systems, network information technology, digital library development, and national standards related to the organization, description, control, and delivery of bibliographic content resources.

Supervisory/Managerial Competencies:

The following competencies are to be evaluated by the selecting official and/or the panel. The selecting official must submit a signed certification that the selectee meets these competencies.

1. Strong record of dynamic managerial achievement and collaborative leadership as reflected by progressive accomplishment in a large and complex library operation with a concentration on: the organization and development of collection resources; planning technical service systems and operations; and national and international standards.
2. Ability to communicate with individuals or groups from diverse backgrounds in a variety of situations. This includes oral and written communication, influencing and negotiating, partnering, interpersonal skills, and political savvy.
3. Ability to sustain ongoing organizational change and relationships among colleagues, partners and stakeholders in the development of an inspired vision for access to information in the scientific research and public information processes.

YOUR EDUCATION AND EXPERIENCE WILL BE EVALUATED AGAINST THE KNOWLEDGE, SKILLS AND ABILITIES (KSAs) AS OUTLINED UNDER SPECIALIZED EXPERIENCE. A SPECIFIC RESPONSE TO THE REQUIREMENTS OUTLINED UNDER SPECIALIZED EXPERIENCE IS HIGHLY RECOMMENDED TO ENSURE ADEQUATE CONSIDERATION IN THE EVALUATION PROCESS.
