

Summary of State EHDI Sites and Protocol Links
Updated May 11, 2004

Below are the links for State Web Sites, Protocols for Universal Newborn Hearing Screening, Audiometric Assessment, Amplification, Early Intervention, Medical Assessment, Family Resources Guides, and information on Genetic Services available in each state. Please contact the EHDI program at ehdi@cdc.gov, with any changes or additions.

blue underlined = link to either state website or PDF document

x = hardcopy available, no web link

d = draft version available, not for general access

 = Documents are in the Portable Document Format (PDF) and require the Adobe Acrobat Reader for proper viewing. Visit <http://www.adobe.com/> to get a **free** copy of Adobe Reader.
