

CALL Public Database (DB) A Tutorial

Use Bookmarks to review the contents of this tutorial.

Center for Army Lessons Learned
Research Division
30 July 2004

What is the CALL Public DB?

- A collection of army-related articles, theses, monographs, papers, historical documents, and other resources that are unclassified and releasable to and available to the general public without restriction.
- A structured, hierarchical repository that is patterned after an office filing system, including file rooms, file cabinets, file drawers, file folders, and documents.
- A repository that can be searched either by drilling down through levels of hierarchy or by submitting queries, using a powerful search and retrieval software (Convera RetrievalWare).
- A product and responsibility of the Research Division of the Center for Army Lessons Learned, Fort Leavenworth, Kansas.

How do I get to the CALL Public DB?

CALL Homepage:

<http://call.army.mil/>

Click on CALL Databases *

CALL Databases Page:

<http://call.army.mil/calldb.htm>

Click on Public Database *

Expect a "Security Alert" – click Yes

CALL Public Database

Web Browser Requirements
[Microsoft Internet Explorer 6.0+](#)
[Netscape 7+](#)

Minimum Image Viewer Requirements
Adobe Acrobat Reader for Portable Document Files [Download Now](#)
TIF Image Viewer for Tagged Image Format Files [Download Now](#)

This is also an excellent free TIFF-image viewer [ALternaTIFF](#)
The CALL DB also includes MS Word, MS PowerPoint and other file formats.
You can view most documents in ASCII Text by clicking on the Text Tab in the Document Viewing window.

Click on the CALL Public Database button if you have met the above browser and image viewer requirements.

Note the new CALL Public DB Tutorial.

Author: *DOIM Special Projects*
last update: 9 March 2004 (mag)

Note carefully these requirements.

Note: Most new users will need to download the TIF Image Viewer.

Click here to proceed directly to the CALL Public DB.

Databases View

Databases Button

Note: This is the first of 4 Buttons.

Start here.

Ignore these things.

- Center for Army Lessons Learned Public Database [6]
 - Filerooms [3]
 - Combined Arms Research Library [7]
 - Military History Institute [11]
 - Military Review English Edition [11]
 - Libraries [3]
 - Direct File Access [0]
 - Categories and Experts [2]
 - Trash [1]
 - My Profiles and Queries [2]

What do I do now?

Option #1: Drill down to browse the contents of Filerooms

Option #2: Select Filerooms to search, then click on Query

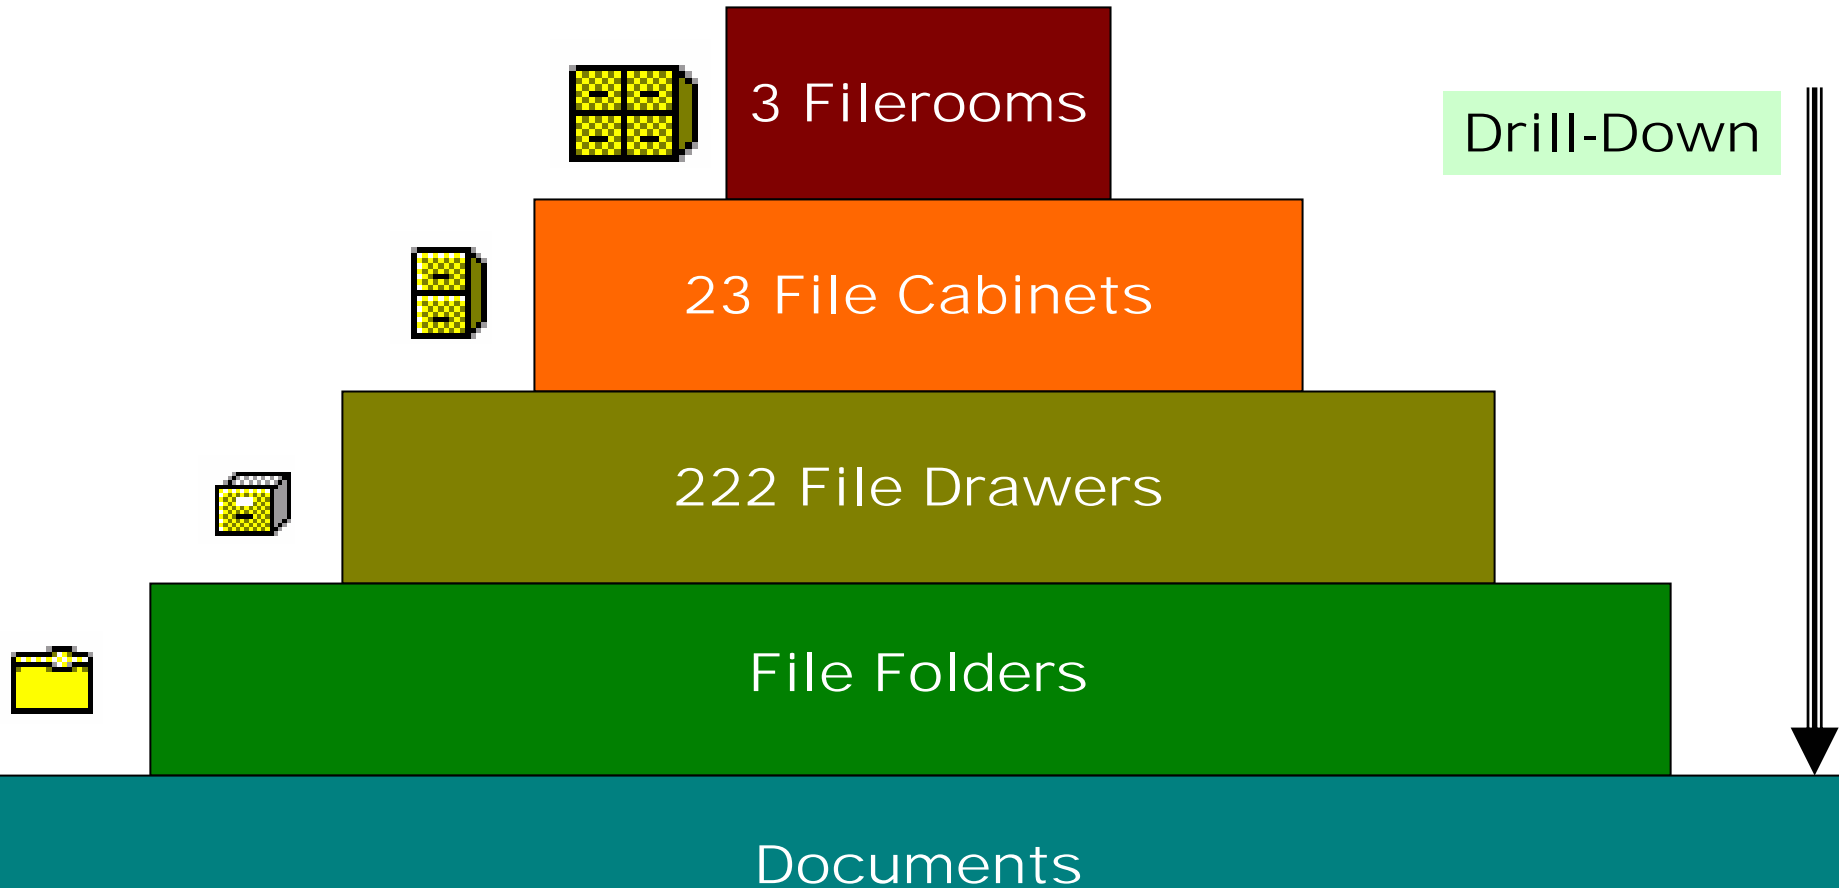

When should I drill down?

- When you are unfamiliar with and have the time to browse the contents of a fileroom.
- When you know where to find a particular file (e.g. a specific *Military Review* article).

Recommendation: The query should be your principal means of finding documents, not drilling down.

Levels of Hierarchy

Fileroom > Cabinet > Drawer > Folder > Document

Drilling Down

1>

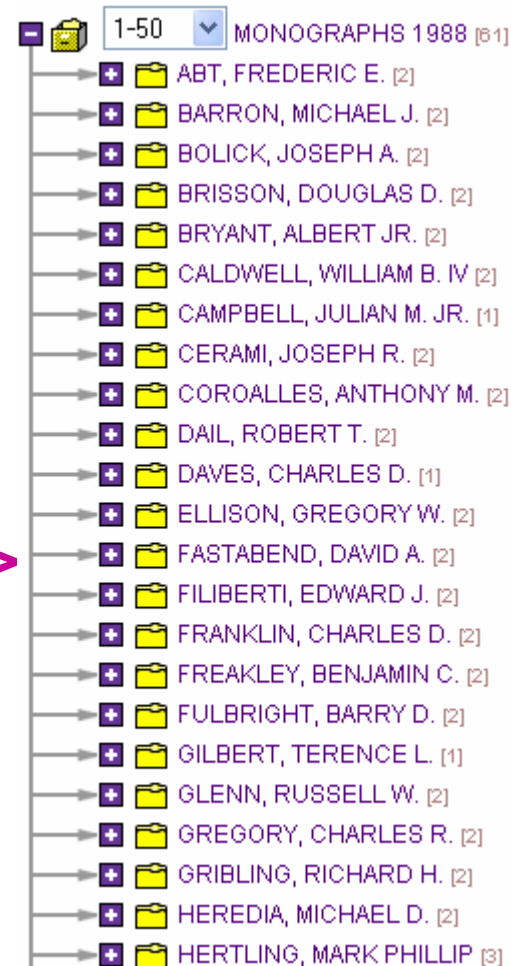

2>

3>

4>

5>

Filerroom > Cabinet > Drawer > Folder > Document

Overview of the Contents

Filerooms and File Cabinets.

CALL Public DB Fileroom Highlights

Military Review English Language

All issues of Military Review, a periodical publication of the Command and General Staff College, Fort Leavenworth, from 1922-2004.

For the latest issue(s), see also the Military Review Home Page:

<http://www-cgsc.army.mil/milrev/>

Before you Search . . .

The screenshot shows a search interface with a navigation bar at the top. The navigation bar includes links for "Logout", "Help", "Options", "Databases", "Query", "Results", and "Document". The "CONVERA" logo is visible on the right side of the navigation bar. Below the navigation bar, there is a tree view of databases. The tree view is expanded to show the "Center for Army Lessons Learned Public Database [6]" category. Under this category, there are three sub-categories: "Filerooms [3]", "Libraries [3]", and "Direct File Access [0]". The "Libraries [3]" category is further expanded to show three sub-libraries: "Combined Arms Research Library [7]", "Military History Institute [11]", and "Military Review English Edition [11]". The checkboxes for "Combined Arms Research Library" and "Military History Institute" are checked, while the checkbox for "Military Review English Edition" is unchecked. A blue arrow points from a text box to the checked checkboxes.

Query View

Query Button

Libraries: Military History Institute Sampler, Combined Arms Research Library

Search For: "consequence management"

Search

Mode: Concept Pattern Boolean

Style: Average

The libraries/filerooms that you have chosen to search. You cannot search without having selected a library or libraries under the Databases button.

Simple Search on exact phrase "consequence management"

Note: The default is set for a Simple Query. You can do a more sophisticated search by clicking on the Advanced button.

Note: More will follow on Mode and Style selections on later slides.

Simple Search Results

The screenshot shows a Microsoft Internet Explorer window titled "SmartSearch 7.0 - Microsoft Internet Explorer". The address bar contains the URL: `lldbp.leavenworth.army.mil&CQ_SAVE[Home]=https%3A//calldbp.leavenworth.army.mil/call_pub.html`. The browser interface includes a menu bar (File, Edit, View, Favorites, Tools, Help) and a toolbar with navigation buttons. Below the address bar is a navigation bar with tabs for "Databases", "Query", "Results", and "Document". The "Results" tab is active, displaying a list of search results. The results are organized into a table with columns for Rank, Title, and Library. The first result is highlighted in red. Below the table, the query terms are shown as "CONSEQUENCE MANAGEMENT", and the selected document is identified as "NATIONAL GUARD HOMELAND DEFENSE DIVISION FILLING THE GAP IN WEAPONS OF MASS DESTRUCTION DEFENSE".

Rank	Title	Library
1. (89) (pg 7)	NATIONAL GUARD HOMELAND DEFENSE DIVISION FILLING THE GAP IN WEAPONS OF MASS DESTRUCTION DEFENSE	(Combined Arms Research Library)
2. (89) (pg 106)	IDENTIFYING THE ROLES OF THE SEPARATE GOVERNMENTAL AGENCIES IN COUNTERING THE PROLIFERATION OF WEAPONS	(Combined Arms Research Library)
3. (88) (pg 3)	ACHIEVING VICTORY IN PEACE OPERATIONS: AN APPLICATION FOR CLAUSEWITZ'S THEORY ON CULMINATION	(Combined Arms Research Library)
4. (88) (pg 56)	ARMY ORGANIZATIONAL EFFECTIVENESS PROGRAM: A HISTORICAL PERSPECTIVE	(Combined Arms Research Library)
5. (88) (pg 16)	NATIONAL GUARD HOMELAND DEFENSE DIVISION FILLING THE GAP IN WEAPONS OF MASS DESTRUCTION DEFENSE	(Combined Arms Research Library)

Query Terms: "CONSEQUENCE MANAGEMENT"
[Document 1 of 60] [NATIONAL GUARD HOMELAND DEFENSE DIVISION FILLING THE GAP IN WEAPONS OF MASS DESTRUCTION DEFENSE](#)

Click on a document in the results list to display it here.

Note: #1 and #5 represent different pages within the same document. Word, PowerPoint, and PDF files always report pg 1, while separate files for each page characterize image files. Each of the above 5 files are image files.

The Windows taskbar at the bottom of the screen shows the Start button on the left, followed by several taskbar icons including Internet Explorer, Outlook, and SmartSearch. The system tray on the right displays the Internet icon, the time 2:11 PM, and the date.

CALL Public DB Search Mode

Your Most Important Choice

Boolean

- An search that looks exactly for the words in your clue or an exact phrase if enclosed in quotation marks.
- Allows for use of Boolean operators (and, or, not) and proximity operators.
- *Best quick search when you want a limited number of hits.*

Pattern

- A search that looks not only for the exact words in your clue, but also other words that looks something like those words.
- *Best search when you are not sure of the spelling of a word* or if you are searching against text read by Optical Character Recognition (OCR). We The DB has much OCR text.
- Produces many more hits than a Boolean Search, but ranks hits by several criteria.
- Slower than a Boolean search.

Concept

- A semantic or meanings search.
- Searches not only for the exact words in your clue, but also other words that have similar meanings.
- *Best search for ranking and putting best hits at the top of your results list.*

CALL Public DB Boolean "AND" Search

analyze Marshall's political growth and emergence during his first two years as Army Chief of Staff and transformation from military leader to political protagonist.

Many of the Marshall biographies³ address the two-year period under study in this thesis and also discuss the three legislative acts being analyzed. However, none do so in great depth; neither do they assess Marshall's personal motivation and involvement in each

SPACE: Enabling Army Transformation

Lieutenant Colonel Brad Baehr, U.S. Army;
Lieutenant Colonel Thomas D. Houston, U.S. Army, Retired; and
Major J.G. Byrum, U.S. Army Reserve

INCREASING LETHALITY, mobility, and sustainability are key to [Army Transformation](#), but increasing lethality while exchanging heavy divisions for mobility raises questions. The an-

Only recently have we begun to think of battle damage being inflicted via methods other than just steel on target. Even more foreign is that steel, combined with electrons at the right place and time, can have a more devastating effect than just more steel.

Print one or more of the following: Fields
 Text

Note: You can print one document page, several, or all. Remember this print capability applies only to ASCII text, not to images.

Note: You can also click on the Print button, which will bring up the window to the right.

Warning: Printing ASCII text by this means will often cut off a word or words on the right-hand side of each line. One way around this problem is to go to the Layout tab in the print window and change the orientation from Portrait to Landscape. Still, this will probably mean that one online page will print on three sheets of paper. See previous slide for an alternative or print the image.
