

WARRIOR NETWORK BROADCAST INFORMATION

"Joint Force State Headquarters"

22 July 2003

1200-1400 ET

TARGET AUDIENCE: TAG's, COS's, ESSO's and all concerned parties

PROGRAM DESCRIPTION: This program is designed to open up communication between, and among, the states and the NGB regarding the Transformation of the National Guard. This presentation is designed to set the communication process in motion as we transform into a more 'joint' organization. It is our genuine desire to have this flow of information travel in all directions. Much can be learned from the states which have progressed in this process of transformation. We encourage, and need, your questions, opinions and advice as we all learn together. This entire effort will depend on the input and participation of our National Guard team. Please join us for this live and interactive broadcast. Questions are highly encouraged and will be taken by fax, email, and telephone call-in. Contact information for questions will be given during the program.

REGISTRATION: This program is originating from the Training & Education Center, McGhee Tyson ANGB, TN. Registration is not required for the Air National Guard. It will be sent to all ANG "A" U/As. Please contact your unit Training Manager or Multimedia Manager for viewing and/or videotaping arrangements. If this conflicts with another broadcast you are scheduled to receive, please contact the following individual:
