AGENCY: Committee for Purchase from People Who Are Blind or Severely Disabled.

DATES: *Effective Date:* August 22, 2004.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Jefferson Plaza 2, Suite 10800, 1421 Jefferson Davis Highway, Arlington, Virginia, 22202-3259.

FOR FURTHER INFORMATION CONTACT: Sheryl D. Kennerly, (703) 603-7740.

SUPPLEMENTARY INFORMATION:

Additions

On May 14, May 21, and May 28, 2004, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (69 FR 26805, 29261, and 30609) of proposed additions to the Procurement List.

The following comments pertain to Mechanical Maintenance at four locations in New Jersey.

Comments were received from an Alaska Native small disadvantaged business. The commenter indicated it had responded to a Sources Sought Notice posted by the Government contracting office responsible for these services, and that it had several contacts with that office concerning award of a contract for these services to the company. The commenter claimed that it is improper for the services to be added to the Procurement List while a small disadvantaged business is attempting to obtain a contract for the services.

The Committee contacted the Government contracting office, which confirmed that it had issued the Sources Sought Notice as claimed by the contractor. However, this Notice did not make any commitment to award a contract to any firm which responded to the notice. Furthermore, the contracting office did not make any commitment to award a contract to the commenter. Under these circumstances, the Committee does not believe that it is improper to add these services to the Procurement List.

The following material pertains to all of the items being added to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the services and impact of the additions on the current or most recent contractors, the Committee has determined that the services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.
