WHAT IS YOUR COMPLAINT?

Please be as specific as possible within the space provided

Name of mass media invention promoter advertised:

Patent & Trademark Institute of America

Invention promotion services offered to be performed:

They would help me get in touch with manufacturers to present my idea.

Explanation of complaint between customer and invention promoter:

When I went to PTI, they said that the most important thing was to get a manufacturer, but doing so, they would present me with trade shows & internet coverage. Then they would send me pre-written cards which I would sign my name to & mail to manufacturers which they would supply. I thought they were going to promote my (so I) themselves, I paid over \$500 dollars, they also have not shown me any proof (part of) of a trade show representation. Papers they sent me I could have gotten myself from The Federal Patent Decree. They also want me to sign an additional contracts giving them more of a % using another company name ULC Services. Nothing was mentioned before about any ULC comp,
