PAPERWORK REDUCTION ACT NOTICE: Collection of information through an exempted fishing permit program provides essential information for the conservation and management of Atlantic tunas, swordfish, and billfish. Information on distribution and migratory patterns will be used for stock assessment and in developing international catch sharing agreements. Public reporting burden for this collection of information is estimated to average 5 minutes per response. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NMFS, Highly Migratory Species Management Division (F/SF1), 1315 East-West Highway, Silver Spring, MD 20910. Reporting of exempted fishing permit activity is required under the authority of the Atlantic Tunas Convention Act. It is NOAA policy to preserve the confidentiality of information submitted under this reporting requirement, except that NMFS may release such information in aggregate or summary form, such that individual identifiers are not disclosed (NAO 216-100). Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. OMB Control #0648-0471 Expires 02/28/2006

Instructions for the Annual Report Form

NOTE: All data provided are confidential and will be used to determine the cumulative effects of exempted fishing activities on marine resources as well as provide scientific information on species that would otherwise be prohibited from collection/possession. Consistent and accurate reporting is critical for achieving the benefits of conservation and management of Atlantic Highly Migratory Species fisheries. This form is mandatory for all Exempted Fishing, Scientific Research, and Display Permit holders. This form is voluntary for all Letter of Acknowledgment Permit holders. If you have any questions, please contact the HMS Management Division at (301) 713-2347. For additional copies of the Interim Report Form, respondents may either make additional copies or contact the HMS Management Division at the number listed above.

STEP 1

Please use a ballpoint pen and print clearly to record the following on the form:

- Permit Number: The permit number located at the top of each permit issued.
- Vessel Name: The name of the vessel authorized and used to collect or tag fish.
- Authorized Sampler (print): The name of the person authorized to sample, collect, or tag fish.
- Was NMFS funding used to collect these specimens? Circle yes or no, as appropriate.
- Name of Permit Holder/Associate: Printed name of permit holder/associate as listed on permit.
- Signature of Permit Holder/Associate: Signed name of permit holder/associate as listed on permit.
- Date: Date of signature as listed above.

STEP 2

Please use a ballpoint pen and print clearly to record the following on the form:

- Species (Common Name): For each species caught during the life of the permit, please record the following information:
 1. Total Number Caught: Sum total = should equal the sum of the next five columns combined.
 2. Total Number Kept: Sum total of fish/protected resources kept dead as well as sum total of fish kept alive.
 3. Total Number Discarded: Sum total of fish/protected resources discarded dead as well as sum total of fish/protected resources discarded alive (excluding fish/protected resources tagged and released alive).
 4. Total Number Tagged: Sum total of fish/protected resources tagged. This sum does not include fish/protected resources discarded alive.

STEP 3

- Make copies of all interim report forms for your records.
- Mail the original interim report form to the National Marine Fisheries Service, HMS Management Division, Attn: Heather Stirratt, 1315 East-West Highway, Silver Spring, MD 20910.
