¹Of the 42,436 cases, the Commission received complete guideline application information for 37,125. Of these, two were excluded due to missing primary offense category, 78 were excluded due to missing career offender information, and 76 were excluded due to missing armed career criminal information. Descriptions of variables used in this table are provided in Appendix A. A description of career offender and armed career criminal adjustments can be found in USSG §4B1.1 and §4B1.4.
