<sup>1</sup>Of the 59,846 cases, the Commission received complete guideline application information for 51,240. Of these, 1,354 achieved career offender status, 212 achieved armed career offender status, and six cases received both. Descriptions of variables used in this table are provided in Appendix A. A description of career offender and armed career criminal adjustments can be found in USSG §4B1.1 and §4B1.4.
