1965	10,101	5,127	1,681	20	2,305	968	1,285		

¹ As determined by model designation.

² Total on hand; also counted in pertinent columns under HTA types.

³ Includes Los Angeles under Rigids while in non-flying status 1932-39, and the metal clad ZMC-2 under blimps, 1930-38.

⁴ Includes assault transport helicopters after 1961

⁵ Included under combat through 1946; thereafter VO and HO.

⁶ Has different meanings at different times, but generally includes experimental and obsolete aircraft, those awaiting disposition, on loan, and other categories officially considered "nonprogram" aircraft.

Note: Data not available for fiscal year 1923.
