## **Guided Simulation Script**

## **Completing Grant Application Packages Demonstration**

Revised 8/20/2004

## Purpose

The purpose of the Grant Application Packages Demonstration Script is listed below:

This script accompanies the Completing Grant Application Packages Demonstration Simulation and is provided so all individuals can view to the simulation. In the event that a user can not fully access the simulation, this script describes all on-screen text, graphics, audio, and mouse movements contained within in the simulation.

## Agenda

The Grant Application Packages Demonstration Simulation simulates the activities listed below:

- Launch the grant application package
- Enter data into forms using the PureEdge Application viewer
- Review the items that must be completed in order to submit your grant application package

**On Screen Graphic:** The Grant Application Package screen remains open. A red highlight box is visible around the following:

- Submit button
- Save button
- Mandatory Completed Documents for Submission box
- Optional Completed Documents for Submission

On Screen Text & Audio: If the Submit button is not active please check to be sure you have completed the actions listed below.

- All mandatory fields in all mandatory forms have been completed and moved to the Mandatory Completed Documents for Submission box.
- The Save button has been clicked AFTER all documents have been moved to the Mandatory Completed Documents for Submission box.
- All mandatory fields in all optional forms that have been moved to the Optional Completed Documents for Submission box have been completed.
- All internet browser windows must be closed.

Note: Mandatory fields are indicated by an asterisk and are also slightly yellow in color.

**Simulation:** The contents of the Mandatory Documents box moves over to the Mandatory Completed Documents for Submission box. The contents of the Optional Documents box moves over to the Optional Completed Documents for Submission box. Note: This simulation does not occur as a result of the user making actions on the screen. The movement is displayed to assist the user in recognizing that all Mandatory and Optional documents must be moved over to the appropriate locations in order for the documents to be submitted.

On Screen Graphic: The Submission Confirmation screen is visible.

**On Screen Text & Audio:** After clicking the Submit button you will receive a confirmation message. It is recommended that you save and print this screen for your records.

Simulaiton: There is no simulation on this screen.
