# **Electronic Case Filing System**

## **Attorney User's Manual**

### **GETTING STARTED**

#### **Introduction**

This manual provides instructions for using the Electronic Case Filing (ECF) system to file documents with the Clerk of Court, or to view and retrieve docket sheets and documents for all cases assigned to the system. Users should have a working knowledge of an ECF-compatible web browser and Adobe Acrobat for creating and reading Portable Document Files (PDF).

#### **Help Desk**

Call the Court's Information Desk @ 1-866-ECF-4ECF between the hours of 8:30 a.m. and 5:00 p.m., Monday through Friday for technical questions or assistance using ECF.

#### **ECF Systems Capabilities**

Registered users with an ECF-compatible Web browser and access to the World Wide Web can use the District Court's ECF system to perform the following functions:

- Open the Eastern District of Pennsylvania Court's web page.
- View or download the most recent version of the ECF User's Manual.
- Self-train on a training system comparable to the official "live" system.
- Practice entering pleadings into ECF using a "training" system and database.
- Electronically file pleadings and documents in actual cases.
- View official docket sheets and documents associated with cases.
- View various report for cases that were filed electronically. (e.g. Docket Sheet Report, Calendar Event Report, etc.)

### **Requirements**

#### **Hardware and Software Requirements**

The hardware needed to electronically file, view and retrieve case documents are the following:

- A personal computer running a standard operating system such as Microsoft Windows or Macintosh with a 17" Monitor.
- An internet service provider and Web browser. The installed version of ECF is compatible with Netscape Navigator version 4.0 or higher and/or Internet Explorer version 5.5 and at least 56.k modem.

- Adobe Acrobat software to convert documents from a word processing format to portable document format (pdf).
- A scanner to convert paper documents to digital format for electronic transfer to the court (diskette) or to enter electronically into ECF. Use a scanner **ONLY** if you **cannot** electronically prepare your documents.

### **PACER Registration**

ECF users must have a PACER account with the Eastern District of Pennsylvania in order to use the **Query** and **Report** features of the ECF system. If you do not have a PACER login, contact the PACER Service Center to establish an account. You may call the PACER Service Center toll free @ 1-800-676-6856 for information or to register for an account. You may also register for PACER online by visiting their web site <http://pacer.psc.uscourts.gov>.

### **Registering for Access to ECF**

Attorneys who require access to the electronic case filing (ECF) system must contact the District Court to obtain a registration form. A copy of the registration form is included as an attachment to the ECF Attorney User's Manual. Applicants should return the completed registration form to the Clerk's Office, U.S. District Court, Eastern District of Pennsylvania, Room 2609, 601 Market Street, Philadelphia, PA 19106-1797 for processing. After processing the properly completed registration form, the Clerk's Office will open a User Account and contact you with your ECF system login and password.

Registered users can visit a training version on the courts website [ecf.paed.uscourts.gov](http://ecf.paed.uscourts.gov) to practice ECF activities. We strongly recommend that registered users practice in the "training" ECF database before filing documents in the "live" ECF database.

<p><b>* Note:</b> The Clerk's Office issues a different set of logins and passwords for the "training" and "live" ECF systems.</p>
--

## **PREPARATION**

### **Setting Up Adobe Acrobat PDF Reader**

Users must install Adobe Acrobat or Acrobat Reader in order to view documents that have been electronically filed with the Clerk's Office. Users may need to install the full version of Adobe's Acrobat Software to convert electronic files from their native application format to Portable Document Format (PDF). All new documents prepared for ECF cases must be converted to PDF before entering them into ECF or transmitting to the court. After installing these products review and follow Adobe's direction for using Acrobat or Acrobat Reader. The latest Adobe Reader software is available free of charge by downloading it from Adobe's website <http://www.adobe.com>.

---

## Portable Document Format (PDF)

Only documents in PDF format may be electronically filed on the ECF system. Be sure to view the PDF formatted document before filing it with the Clerk's Office to ensure that it appears in its entirety and in the proper format.

### Viewing a PDF Document

- Open Adobe Acrobat or Acrobat Reader.
- Select **File** on the menu bar and choose **Open** from the drop-down menu.
- Click on the location and file name of the PDF document you wish to view.
- Acrobat loads the file and displays it on your screen. Verify it is the document you wish to send.
- If the displayed document is larger than the screen or contains more than one page, use the scroll bars and buttons to move about within the document.
- Click on the **View** menu to select other options for viewing the document. Choose the option that best suits your viewing needs.

### Converting Electronic Documents to PDF Format

You must convert all of your documents from their native application to PDF format before submitting the documents to the Clerk's Office through its Electronic Case Filing (ECF) system. The conversion process requires Adobe Acrobat or Word Perfect 9 word-processing application with its built-in PDF conversion capabilities.

#### From Word Perfect Version 9

- Open the document in WP9.
- From the menu bar, click on **File** and from the drop-down menu select **Publish to PDF**.
- Save the files as a PDF file, giving it a .pdf extension.
- The file is now in Adobe PDF format under the newly designated name. The original document remains in WP9 format with its original file name.

---

**For all other versions of Word Perfect, all versions of Microsoft Word, all Microsoft Office products, and other Adobe Acrobat-supported software applications**

- Install Adobe Acrobat on your computer.
- Open the document you wish to convert.
- Select **Print** from the menu bar. Within the **Current Printer** field of the **Printer** window, select the option to change the selected printer. A drop down menu opens and a list of printer choices is displayed.
- **Select Acrobat Distiller.**
- Click **OK** to “print” the file. Instead of the file printing to your printer, the following window opens. See figure below.

- Name the document, verify the “saved file type” is .pdf, and click on the [Save] button.
- Your document is now saved as a PDF file and will be uploaded to ECF later in the filing process.

## **BASICS**

### **User Interactions**

Users normally interact with the Electronic Case Filing (ECF) system in three ways.

- Entering information in data fields
- Mouse-clicking on hyperlinks
- Selecting command buttons to direct system activities.

---

## Conventions used in this Manual:

- User data entry is shown enclosed in angle brackets: <data entry>.
- Hyperlinks are displayed in **underlined boldface type**.
- Command buttons appear in **[bracketed boldface type]**.

## Incorrectly Filed Documents

A document incorrectly filed in a case may result from: a) posting the wrong PDF file to a docket entry; b) selecting the wrong document type from the menu; or c) entering the wrong case number and not discovering the error before completing the transaction.

If a document has been filed in error contact the Eastern District of Pennsylvania's information desk to request a correction as soon as the error is discovered. Be sure to include the case number and document number for which the correction is being requested. Improper filings will be terminated in the CM/ECF system upon receipt of a praecipe to withdraw. The ECF system will not permit you to make changes to the document(s) or docket entry filed in error once the transaction has been submitted.

## Submissions of Stipulations and Proposed Orders

An ECF Filing User electronically submitting stipulations or proposed order which may require a judge's signature must promptly deliver on computer disk or e-mail in WordPerfect format the stipulation or proposed order to the Clerk of Court for delivery to the judge unless the judge orders otherwise. An ECF Filing User who electronically submits a stipulation or proposed order is bound by all signature requirements set forth in Section 9 of the Procedural Order and Rule 11(a) of the Federal Rules of Civil Procedure. Pursuant to Local Rule 7.1 proposed orders should be submitted with the electronic filing as well as e-mailed in WordPerfect format to [ecf\\_clerksoffice@paed.uscourts.gov](mailto:ecf_clerksoffice@paed.uscourts.gov).

## Service of Documents by Electronic Means and Certificate of Service

When an ECF Filing User electronically files a pleading or other document using the ECF system, a Notice of Electronic Case Filing shall automatically be generated by the system, and shall be sent automatically to all parties entitled to service under the Federal Rules of Civil Procedure and the Local Rules of the Eastern District of Pennsylvania who have consented to electronic service. Electronic service of the Notice of Electronic Case Filing constitutes service of the filed document to all such parties and shall be deemed to satisfy the requirements of Rule 5(b)(2)(D) of the Federal Rules of Civil Procedure.

All documents filed using the ECF system shall contain a Certificate of Service stating that the document has been filed electronically and is available for viewing and downloading from the ECF system. The Certificate of Service must identify the manner in which service on each party was accomplished, including any party who has not consented to electronic service. Parties who have not consented to electronic service are entitled to receive a paper copy of any electronically filed pleading or other document. Service of such paper copy must be made according to the Federal Rules of Civil Procedure and the Local Rules of the Eastern District of Pennsylvania.

**IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

**Electronic Case Filing ("ECF")**

**PROCEDURAL ORDER**

**1. Definitions**

(a) "ECF Filing User" means those who have Court-issued log-ins and passwords to file documents electronically.

(b) "Notice of Electronic Case Filing" means the notice generated by the ECF system when a document has been filed electronically, stating that the document has been filed.

(c) "Judge" means the District Judge assigned to the case, or the Magistrate Judge to whom all or any part of a case has been referred pursuant to 28 U.S.C. § 636.

(d) "Court" shall mean the United States District Court for the Eastern District of Pennsylvania

**2. Scope of Electronic Case Filing**

(a) All civil and criminal cases filed in this court on or after May 1, 2002, will be entered into the court's Electronic Case Filing ("ECF") System in accordance with this Procedural Order on Electronic Case Filing ("Procedural Order"). Except as expressly provided in this Procedural Order and in exceptional circumstances preventing a registered ECF Filing User from filing electronically, all pleadings, documents, motions, memoranda of law, petitions, certificates of service and other documents required to be filed with the clerk of court in connection with a case assigned to the ECF System must be electronically filed.

(b) The filing of all initial papers in civil cases, such as the complaint and the issuance and service of the summons, and, in criminal cases, the indictment or information, warrant for arrest or summons, will be accomplished by hard copy filed in the traditional manner rather than electronically. In a case assigned to the ECF system, parties must concurrently provide the clerk of court with a computer disk, in such form as may be required by the clerk of court, containing a copy of all documents provided in paper form at the time of filing. All subsequent documents and pleadings in cases designated by the court to be assigned to the ECF System must be filed electronically, except as provided in this Procedural Order or as ordered by the judge.

(c) Attorneys and others who are not registered ECF Filing Users in the ECF System are not required to file pleadings electronically and other papers in a case assigned to the system. Once registered, an ECF Filing User may withdraw from participation in the ECF System by providing the clerk of court with written notice of the withdrawal and upon approval of the judge.

(d) Nothing in this Procedural Order shall be construed to nullify or contradict the provisions set forth in Rule 26.1 of the Local Rules of Civil Procedure, *Discovery*, directing that interrogatories, requests for production and inspection and requests for admission under Fed. R.Civ.P. 33, 34 and 36 that answers, responses and objections to interrogatories and to Rules 34 and 36, and that requests, notices of depositions and depositions under Fed.R.Civ.P. 30 and 31, shall not be filed with the court.

(e) Nothing in this Procedural Order shall be construed to nullify or contradict the provisions set forth in Rule 39.3 of the Local Rules of Civil Procedure, *Records, Files and Exhibits*, directing that the clerk of court maintain custody of all records, files and exhibits in all cases filed in this court until such time as the case is finally resolved, dismissed or abandoned, as set forth in paragraph (e) of Rule 39.3.

(f) All cases filed in the ECF System in which a notice of appeal is filed shall be governed by Rule 10 of the Federal Rules of Appellate Procedure and relevant Local Rules and internal operating procedures of the United States Court of Appeals for the Third Circuit, with any differences about whether the record truly discloses what occurred in the district court to be submitted to and settled by the judge. Cases in which there is a right of direct appeal to the United States Supreme Court shall be governed by the rules of the United States Supreme Court.

### **3. Eligibility, Registration and Password**

(a) Attorneys admitted to the bar of this court, including those admitted pro hac vice, may register as ECF Filing Users of the court's ECF system. Registration is in a form prescribed by the clerk of court and requires the Filing User's name, address, telephone number, Internet e-mail address and a declaration that the attorney is admitted to the bar of this court and is a member in good standing.

(b) Upon the approval of the judge, a party to a case who is not represented by an attorney may register as an ECF Filing User in the ECF System solely for purposes of the action. Registration is in a form prescribed by the clerk of court and requires identification of the case as well as the name, address, telephone number and Internet e-mail address of the party. If, during the course of the case, the party retains an attorney who appears on the party's behalf, the attorney must advise the clerk of court to terminate the party's registration as a Filing User upon the attorney's appearance.

(c) Registration as an ECF Filing User constitutes agreement to receive and consent to make electronic service of all documents as provided in this Procedural Order in accordance with Rule 5(b)(2)(D) of the Federal Rules of Civil Procedure and the Federal Rules of Criminal Procedure, as referenced in Rule 49(b) of the Federal Rules of Criminal Procedure. This agreement and consent is applicable to all future cases until revoked by the ECF Filing User.

(d) Once registration is completed, the ECF Filing User will receive notification of the user log-in and password. ECF Filing Users agree to protect the security of their passwords and immediately notify the clerk of court by telephone, with said notification confirmed immediately thereafter in writing delivered by e-mail, facsimile

or hand-delivery to the attention of the clerk of court, if they learn that their password has been compromised. Users may be subject to sanctions by the judge for failure to comply with this provision. For security reasons, the court recommends that ECF Filing Users periodically change their passwords, which shall be done by notifying the clerk of the court who shall implement the change.

#### **4. Consequences of Electronic Filing**

(a) Electronic transmission of a document to the ECF System consistent with this Procedural Order, together with the transmission of a notice of electronic case filing from the court, constitutes filing of the document for all purposes of the Federal Rules of Civil Procedure, the Federal Rules of Criminal Procedure and the Local Rules of this court, and constitutes entry of the document on the docket maintained by the clerk of court pursuant to Rules 58 and 79 of the Federal Rules of Civil Procedure and Rules 49 and 55 of the Federal Rules of Criminal Procedure.

(b) A document that has been filed electronically is the official record of the document, and the filing party is bound by the document as filed. Except in the case of documents first filed in paper form and subsequently submitted electronically under Section 2 above, a document filed electronically is deemed filed at the time and date stated on the notice of electronic case filing from the court.

(c) Filing a document electronically does not change any filing deadline set by the Federal Rules of Civil Procedure, the Federal Rules of Criminal Procedure, the Local Rules of the court, or an order of the judge.

(d) All pleadings and documents filed electronically must be transmitted in the form prescribed by Rule 10(a) of the Federal Rules of Civil Procedure. All transmissions for electronic case filings of pleadings and documents to the ECF system shall be titled in accordance with the approved directory of civil and criminal events of the ECF system.

#### **5. Attachments and Exhibits**

ECF Filing Users may submit all documents identified as exhibits or attachments in either hard copy filed in the traditional manner or electronic form. If using electronic form, an ECF Filing User must submit as exhibits or attachments only those excerpts of the identified documents that are relevant to the matter under consideration by the court. Excerpted material must be clearly and prominently identified as such. ECF Filing Users who file excerpts of documents as exhibits or attachments electronically pursuant to this Procedural Order do so without prejudice to their right to file timely additional excerpts or the complete document, provided however, that the total number of pages of attachments and exhibits electronically filed shall not exceed 50 without prior approval of the judge. Pages of attachments and exhibits in excess of 50 may be filed as of right in hard copy filed in the traditional manner. Responding parties who choose to file exhibits and attachments electronically may also timely file additional excerpts or the complete document, subject to the same page limitations as set forth above.

**6. Sealed Documents**

Documents ordered to be placed under seal must be filed in hard copy filed in the traditional manner and not electronically. A motion to file documents under seal may be filed electronically unless prohibited by law. The order of the court authorizing the filing of documents under seal may be filed electronically unless prohibited by law. A paper copy of the order must be attached to the documents under seal and be delivered to the clerk of court.

**7. Service of Documents by Electronic Means**

(a) When an ECF Filing User electronically files a pleading or other document using the ECF system, a Notice of Electronic Case Filing shall automatically be generated by the system, and shall be sent automatically to all parties entitled to service under the Federal Rules of Civil Procedure, the Federal Rules of Criminal Procedure and the Local Rules of the Eastern District of Pennsylvania who have consented to electronic service. Electronic service of the Notice of Electronic Case Filing constitutes service of the filed document to all such parties and shall be deemed to satisfy the requirements of Rule 5(b)(2)(D) of the Federal Rules of Civil Procedure and Rule 49 of the Federal Rules of Criminal Procedure

(b) All documents filed using the ECF system shall contain a Certificate of Service stating that the document has been filed electronically and is available for viewing and downloading from the ECF system. The Certificate of Service must identify the manner in which service on each party was accomplished, including any party who has not consented to electronic service.

(c) Parties who have not consented to electronic service are entitled to receive a paper copy of any electronically filed pleading or other document. Service of such paper copy must be made according to the Federal Rules of Civil Procedure, the Federal Rules of Criminal Procedure and the Local Rules of the Eastern District of Pennsylvania.

(d) As set forth in Section 3 of this Procedural Order, registration as an ECF Filing User constitutes agreement to receive and consent to make electronic service of all documents as provided in this Procedural Order in accordance with Rule 5(b)(2)(D) of the Federal Rules of Civil Procedure and Rule 49 of the Federal Rules of Criminal Procedure. This agreement and consent is applicable to all pending and future actions assigned to the ECF System until revoked by the ECF Filing User.

(e) In accordance with Rule 6(e) of the Federal Rules of Civil Procedure, service by electronic means is treated the same as service by mail for the purpose of adding three (3) days to the prescribed period to respond.

(f) In accordance with Rule 77(d) of the Federal Rules of Civil Procedure, the court may serve notice of entry of orders or judgments by electronic means as provided in Rule 5(b) and Section 3 of this Procedural Order.

(g) In civil cases, the provisions of this Section 7 apply to service of documents covered by Rule 5(a) of the Federal Rules of Civil Procedure. Service of Original Process under Rule 4 of the Federal Rules of Civil Procedure is not authorized

under this Procedural Order to be accomplished electronically. This Section 7 does not apply to service of an arrest warrant, summons or subpoena in criminal cases.

## **8. Signature**

(a) The user log-in and password required to submit documents to the ECF System serve as the ECF Filing User's signature on all electronic documents filed with the court. They also serve as a signature for purposes of Rule 11(a) of the Federal Rules of Civil Procedure, the Local Rules of this court, and any other purpose for which a signature is required in connection with proceedings before the court. Each document filed electronically must, if possible, indicate that it has been electronically filed. Electronically filed documents must include a signature block and must set forth the name, address, telephone number and the attorney's state bar identification number, if applicable. In addition, the name of the ECF Filing User under whose log-in and password the document is submitted must be preceded by an "s/" and typed in the space where the signature would otherwise appear.

(b) No ECF Filing User or other person may knowingly permit or cause to permit a Filing User's password to be used by anyone other than an authorized agent of the Filing User.

(c) Documents requiring signatures of more than one party must be electronically filed either by: (1) submitting a scanned document containing all necessary signatures; (2) representing the consent of the other parties on the document; (3) identifying on the document the parties whose signatures are required and by the submission of a notice of endorsement by the other parties no later than three business days after filing; or (4) any other manner approved by the court.

## **9. Submission of Stipulations and Proposed Orders**

An ECF Filing User electronically submitting stipulations or proposed orders which may require a judge's signature must promptly deliver on computer disk or e-mail the stipulation or proposed order to the clerk of court for delivery to the judge unless the judge orders otherwise. An ECF Filing User who electronically submits a stipulation or proposed order is bound by all signature requirements set forth in Section 8 of this Procedural Order and Rule 11(a) of the Federal Rules of Civil Procedure.

## **10. Retention Requirements**

Documents that are electronically filed and require original signatures other than that of the Filing User must be maintained in paper form by the ECF Filing User until three (3) years after the time period for appeal expires. The ECF Filing User must provide original documents for review upon request of the judge.

## **11. Public Access**

(a) Any person or organization, other than one registered as an ECF Filing User

under Section 3 of these rules, may access the ECF Filing System at the court's Internet site, [www.paed.uscourts.gov](http://www.paed.uscourts.gov), by obtaining a PACER log-in and password. Those who have PACER access but who are not Filing Users may retrieve docket sheets and those documents which the court makes available on the Internet for the fee normally charged for this service as set by the fee schedule authorized by the Administrative Office of United States Courts, but they may not file documents.

(b) Documents in civil cases should be made available electronically to the same extent that they are available for personal inspection in the office of the clerk of court at the U.S. Courthouse. Social Security numbers, dates of birth, financial account numbers and names of minor children should be modified or partially redacted in electronically filed documents.

(c) In connection with the filing of any material in an action assigned to the ECF System, any person may apply by motion for an order limiting electronic access to, or prohibiting the electronic filing of, certain specifically identified materials on the grounds that such material is subject to privacy interests and that electronic access or electronic filing in the action is likely to prejudice those privacy interests.

(d) Public remote electronic access to documents in criminal cases is not currently available, except in cases where requests for documents impose extraordinary demands on a court's resources, upon consent of all parties and a finding by the judge that such access is warranted. This is consistent with the policy of the Judicial Conference of the United States.

## **12. Excluded Documents and Cases**

A list of types of documents and categories of cases, which are presently excluded from the provisions of this Procedural Order, as may be amended from time to time, is attached hereto and made a part of this Procedural Order.

## **13. Entry of Court Order**

All orders, decrees, judgments and proceedings of the court will be filed in accordance with these rules which will constitute entry on the docket maintained by the clerk of court pursuant to Fed.R.Civ.P. 58 and 79, and Rules 49 and 55 of the Federal Rules of Criminal Procedure. All signed orders will be filed electronically by the clerk of court. Any order filed electronically without the original signature of a judge has the same force and effect as if the judge had affixed the judge's signature to a paper copy of the order and it had been entered on the docket in hard copy filed in the traditional manner.

## **14. Notice of Court Order and Judgment**

Immediately upon the entry of an order or judgment in an action assigned to the ECF System, the clerk of court will transmit to ECF Filing Users in the case, in electronic form, a notice of electronic filing. Electronic transmission of the Notice of Electronic Case Filing constitutes the notice required by Rule 77(d) of the Federal

Rules of Civil Procedure and Rule 49(c) of the Federal Rules of Criminal Procedure. The clerk of court must give notice in paper form to a person who has not consented to electronic service in accordance with the Federal Rules of Civil Procedure.

**15. Technical Failure**

An ECF Filing User whose filing is determined to be untimely as the result of a technical failure may seek appropriate relief from the judge, provided that the User immediately notifies the clerk of court of the technical failure by telephone, with said notification confirmed immediately thereafter in writing delivered by e-mail, facsimile or by hand to the attention of the clerk of court. The clerk of the court shall forthwith notify the chambers of the judge.

## What is a PDF file?

Portable Document Format (PDF) is a universal file format that preserves all fonts, formats, graphics and other typesetting attributes of a source (original) document, regardless of what application was used to create the source document. PDF files are most easily viewed using Adobe Acrobat Reader®, which is a free download available from [www.adobe.com](http://www.adobe.com).

## Why Convert Word and WordPerfect Documents to a PDF File?

PDF files are compact and are easily and quickly transmitted via the Web or through electronic mail. Although PDF files can be shared, viewed, navigated and printed, PDF files cannot be edited or altered by the recipient, thus preserving the integrity of the source document.

You must convert all of your documents to PDF format before submitting the documents to the District Clerk's Office through the Electronic Case Filing (ECF) system.

## How Do You Convert a Word Processing Document to a PDF File?

### 1. WordPerfect 9 or later versions:

WordPerfect 9 and later versions have a built-in capability to convert any document to a PDF file:

1. Open the source document in WordPerfect.
2. While the source document is on the screen, choose **FILE** from the menu bar.
3. From the drop-down **FILE** menu, select **PUBLISH TO PDF**.
4. To save the source document as a PDF file, type the document name where prompted in the PDF window. To save the PDF file to a floppy disk, place floppy disk in appropriate hardware slot, and type *A:[document name]* in the "Publish To PDF" pop-up window. Press "OK".

The source document is now saved in PDF format either on the hard drive or on a floppy disk.

### 2. All other WordPerfect versions, MS Word, or other Applications:

To convert a source document from an application other than WordPerfect 9, Adobe Acrobat 5.0® (which contains a "writer" function) must be installed on your computer. Adobe Acrobat 5.0® is available for purchase from [www.adobe.com](http://www.adobe.com).

1. Open the source document in your word processing application.
2. From the menu bar, select **PRINT**.
3. In the "Printer" window, select **CURRENT PRINTER**.
4. At the drop-down menu in the **CURRENT PRINTER** window, select **ACROBAT DISTILLER**.
5. Press "OK" to print the file to your hard drive or floppy disk, instead of to the printer.
6. After you press "OK", verify that the SAVED FILE TYPE is **PDF**, and press the **SAVE** button.
