*This number does not include an amount paid to Kodiak as required by Public Law 105-83.

**This number reflects the appropriation minus the rescission.

NOTE: Appropriations are added to the previous year's net receipts to make Revenue Sharing payments to counties that are owed for the previous Fiscal Year (e.g., FY 2003 appropriations + FY 2002 net receipts = the Fiscal Year 2003 payments to counties). Fiscal Year 1977 figures are for 15 months - when the fiscal year was extended from June 30 to September 30. Fiscal Year 1980 is the first year appropriations were authorized to offset the difference between the receipts available for Revenue Sharing payments and the amount due the local units of government (Public Law 95-469). The numbers reflect the Graham-Rudman, P.L. 106-113 and P.L. 106-554 reductions.
