\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.

\* Note: This distribution of obligated funds is the result of statistical methods used by the agency and does not represent an actual obligation of federal funds.

\*\* Note: Indicates independent city.

\*\*\* Note: These programs are generally funded to state agencies. The amounts of these agency recipients are not reflected in county or city data, but are included in the state summary totals. If a recipient of these programs is not a state agency the grantee is reported in its county-city location.
